## Introduction

Safety is a core aspect of Micron people value, and we are committed to an incident and injury free workplace.

To better help our Construction Contractors understand Micron safety requirements and identify unsafe site conditions this, "Construction Safety Guidebook" is developed with alignment of Micron's "Global EHS - Construction Performance Standard".

This Guidebook provides critical pictorial information with description on safety policies, requirements and specifications. The information in this Guidebook is a useful safety reference material to provide guidance on important safety practices, which helps to prevent incident at Micron construction projects.

The Contractor shall comply with all the EHS requirements contained in this specifications and supporting documentation, even where these impose a higher standard than that required by current local legislation globally. This guidebook is included as part of the EHS standards and requirements in the contract agreement.
