Augmented and Virtual Reality in Libraries Jolanda-Pieta van Arnhem, Christine Elliott, Marie Rose, 2018-05-24

Augmented and Virtual Reality in Libraries is written for librarians by librarians understanding that diverse communities use libraries museums and archives for a variety of different reasons Many current books on this topic have a very technological focus on augmentation and are aimed towards computer programmers with advanced technology skills This book makes augmented reality virtual reality and mixed reality applications much more accessible to professionals without extensive technology backgrounds This innovative title touches on possible implementation projects and assessment needs for both academic and public libraries museums and archives
