Leadership Training in the Hands of the Church Joseph Nehemiah, 2020-12-31. Yet our very techniques for teaching and learning are culturally defined. If the church is to be effective in developing the leaders, it needs our approach to training must be informed by its local context. In this immensely practical text, Joseph Nehemiah combines sound pedagogical research with rich cultural insight to provide a framework for training leaders in an Arab context. Examining principles of adult education in light of Arab cultural dynamics, Nehemiah offers a paradigm for experiential learning that is biblically rooted and contextually appropriate. Informed by the experience of professors in the Arab Gulf, along with extensive interviews from local church leaders, *Leadership Training in the Hands of the Church* seeks to place the development, teaching, and training of leaders into the hands of the local church.
