Management Consulting Sugata Biswas, Daryl Twitchell, 1998-12-28 The first complete resource for graduating students and professionals seeking a position in management consulting Consulting is all about client results If you want to help change the strategic destiny of organizations pursue a high impact career and ensure continuous learning then Management Consulting is a must read to help you identify the firm that best suits you Thomas J Tierney Worldwide Managing Director Bain Company This is the most comprehensive overview of the consulting industry to date It is chock full of useful information for students and professionals considering consulting as a career Robert F Bonner Associate Director Career Development Placement The Wharton School Graduate Division This book is an excellent starting point for anyone contemplating a career in management consulting My professional advice to you Read this book Wayne Cooper Publisher Consultants News President CEO Kennedy Information Management consulting is one of the most popular career choices for today s graduating students and career changing professionals The industry is growing fast with many more organizations in need of consulting services than ever before and an overwhelming number of candidates seeking consulting positions Each year tens of thousands compete for the offers that ultimately only a few thousand will receive Facing such intense competition applicants for these positions need all the help they can get to be competitive with their peers Management Consulting is the first consolidated resource containing need to know information on every step of the management consulting job search Seasoned consultants Sugata Biswas and Daryl Twitchell who have worked with a wide range of industry leaders candidates and recruiters have written a book that encompasses a full range of perspectives They cover each step of the job search process in detail providing valuable insider information on the profession as well as tools and techniques to help you stand apart from the competition and land a job offer The book opens with an objective candid picture of the industry its players and its evolution The authors look at the origins and development of consulting as they explain who management consultants are what they do and where the best opportunities can be found Essays by leading consultants strategic planners and academics provide perspectives on emerging trends and the future of consulting You ll learn what it s like to be a practicing management consultant from the professional development opportunities to the day to day balancing of work and private life The authors walk you through the steps of a typical consulting project from the initial definition of the problem to the final presentation of recommendations They outline what will be expected of you the typical work hours involved and the many benefits and drawbacks of this demanding career A vital section of the book is the step by step method for successfully navigating the infamous case interview often the make or break point as firms try to select the top candidates from the masses All it takes is one abstract or technical question How much does a Boeing 747 jumbo jet weigh to knock you out of the running The authors will teach you how to be properly prepared for these interviews as you work your way to an offer and how to negotiate for the most attractive package In addition the authors provide three unique appendices

that are critical to a successful consulting job search Appendix I fifteen of the most common case frameworks useful to draw upon when answering case questions Appendix II 100 case questions and ten sample answers for interview practice Appendix III a directory of fifty consulting firms including primary practice areas and recruiting contacts By giving you a firm grasp of the industry and the skills you need to master the interviews Management Consulting is an invaluable investment for your future in this exciting and rewarding profession

**The International Guide to Management Consultancy** Barry Curnow,Jonathan Reuvid,2003 A handbook for corporate purchasers of management consultancy services this unique and highly authoritative guide provides a description of the profession worldwide and advice on how to choose and use its services effectively *The Oxford Handbook of Management Consulting* Matthias Kipping,Timothy Clark,2012-03-29 Management consultants of various kinds play an important role in the world of business and other organizations This Handbook provides a comprehensive overview of research and thinking on the role history and function of management consultants

**Management Consultancy** Joe O'Mahoney,2010-02-11 Providing a balance between critical analysis and practical skills Management Consultancy provides insights into industry trends client engagements and consultancy careers to ensure you have all the information and guidance you require to become a successful management consultant Book Jacket *Management Consultancy and the British State* Antonio E. Weiss,2018-10-26 This book traces the emergence and development of the relationship between management consultancies and the British state It seeks to answer three questions why were management consultants brought into the machinery of the state how has state power been impacted by bringing profit seeking actors into the machinery of the state and how has the nature of management consultancy changed over time The book demonstrates the role consultants played in major developments in the postwar period Specific case studies interrogate how consultancies influenced the policy fields of health service reform and social security benefits This book will redefine debates amongst business historians and historians of the postwar British state about the nature of management consultancy and public sector reform

*The Complete Guide to the Illinois Software Industry* ,1995 **Management Consultancy Insights and Real Consultancy Projects** Graham Manville,Olga Matthias,Julian Campbell,2017-10-05 The field of management consultancy research has grown rapidly in recent years Fuelled by the drivers of complexity and uncertainty a growing number of organizations both profit and third sector alike are looking at management consultancy to assist in their aims for development and change Consultants have become a common feature in organizational change initiatives involved in both providing advice and in implementing ideas and solutions However despite this growing recognition and influence management consultancy is still often misunderstood or criticized for its lack of theoretical underpinning The book seeks to address these issues by offering applied theoretical insights from academics that both teach and practice management consultancy Written by recognized experts in their field the contributors combine original insights with authoritative analysis Uniquely this book identifies emerging themes with critical discourse and provides rich empirical

case study evidence to show the reader how management consultancy projects are implemented Real world international consultancy projects are featured as written up cases featuring organizations from multi national corporations to the public sector Written for graduate level managers or those who have practical leadership experience this book will enable readers to apply management consultancy models beyond a classroom context *Harris' Complete Guide to NAICS* Scott M.
