Mahjong is a game invented in the 19th century in china and began to gain popularity in the early 20th century

Mahjong is game pieces that belong to the family of tile based games

Traditionally four players will gather around a table to compete in a game of mahjong however there are variations of the game that only require three players

Participants will frequently roll the dice shuffle the tiles and engage in other distribution of tiles

After that the trading of tiles will commence

The game is over when one player has a hand of 14 tiles that are identical and declares mahjong

After that the tiles are given a score and the winner is announced
