The Sexy Art of High Heel Walking Gisela Sito,2017-07-21 The reason why I wrote this book For almost 4 000 years it has been engrained in our subconscious and encoded in our DNA about high heel shoes sexy effect Starting with the ancient Egyptians they were associated with demigods on earth and then to nobility for the ancient Greeks and Romans The French kings courts had elevated high heels as a fashion statement although it was outlawed by Napoleon for a short period It quickly revived back to its original status in boosting one s sex appeal even up to the modern times There are so many misconceptions about high heels It have been blamed for almost all foot maladies from bunions neuroma and ankle injuries It is like blaming the car for injuring and killing people Let s not forget a minor detail it s the operator s skill level is usually at fault not the car High heel walking is a special skill set To be sexy confident and pain free on high heels one has to master the special skill It is a learned walking skill not instinctual It is not ideal to learn the skill on your own to be able to do it correctly safely and without injury The majority of women who tried to do it on their own usually experienced foot pain suffering and HUMILIATION However it doesn t stop most women from buying high heels even without learning the proper high heel walking technique
