Smoking Lovely Willie Perdomo,2021-04-06 Smoking Lovely s explorations of poetry and the neoliberal city at the intersection of community and commodity In this radically revised new edition Perdomo shifts the poem into mostly second person thereby further accentuating its self reflexive and complex exploration of self and as other and of the simultaneous othering commodification and spectacularization of Afro diasporic bodies and cultural forms 26 Miles Quiara Alegria Hudes,2010 THE STORY The custody battle left them estranged for eight years The road trip destination is two thousand miles across the country The mother s skin is brown the teenage daughter s white So what if reality s nipping at their heels This reun **Ancient Stories of the Hodja** John E. Hillman,2012 This book and the next two volumes in the series are perfect for reading to your children I guarantee that you will find the experience highly enjoyable and your child will be left spellbound and hungry for more All of the Hodja Stories have a little twist to them an unexpected or thought provoking view of life The stories themselves are ancient and have their roots in the Persian Empire of 2500 years ago They are extremely popular in modern day Turkey and in the Middle East There are some literal translations about but due to the complex language used they are difficult for young children to appreciate and fully understand In these books the stories have been re written in a simple form that Primary age children can understand and relate to but without distorting or watering down the story elements or essential meaning in any way The stories rely on careful thought process and the child s application of lateral thinking to fully understand the hidden message within each story Each volume contains carefully graded stories The text for Volumes 2 and 3 has already been completed but I await illustrations drawn by the readers It was great fun preparing the illustrations in Volume 1 but in later volumes I would like to include pictures drawn by the readers Inside the volume are details of a competition which all readers are invited to enter See the Competition page inside for full details If their picture is chosen for inclusions in Volumes 2 or 3 they will win a free book containing their illustration signed by the author Email me at jhillmanhodjastories@aol.com for further news and updates on the competition results and more books
