slavery the Civil Rights Movement and gender violence The second volume explores the treatment of violence in popular culture as it relates to specific genres for example Puritan execution sermons dime novels television film and video games An afterword looks at the forces that influence how violence is presented discusses what violence in pop culture tells us about American culture as a whole and speculates about the future

Hella Nation Evan Wright, 2016-10-24 Hella Nation charts Wright's deeply personal journey from his stark but sympathetic portrayals of sex workers in Porn Valley to his raw portrait of a Hollywood agent turned war documentarian and hero of America's far right Along the way he meets runaway teens in Hollywood earning corporate dollars as skateboard pitchmen radical anarchists plotting the overthrow of capitalism from tree sits in the Oregon rainforest and young American troops on the hunt for terrorists in the combat zones of the Middle East His subjects are people for whom The American Dream is either just out of grasp or something they have chosen to reject altogether Sometimes frightening usually profane and often darkly comic Hella Nation is Wright's meticulously observed tour of the jagged edges of all those other Americas hiding in plain sight
