Godmatka:

The Great Dictionary Polish - English Benjamin Maximilian Eisenhauer, This dictionary contains around 60 000 Polish terms with their English translations making it one of the most comprehensive books of its kind It offers a wide vocabulary from all areas as well as numerous idioms The terms are translated from Polish to English If you need translations from English to Polish then the companion volume *The Great Dictionary English Polish* is recommended [Ecstatic Pessimist](#) Peter Dale Scott,2023-02-28 *Ecstatic Pessimist* is a timely book about the Central and Eastern European experience of the mid 20th century as told through the poetry and experiences of Czeslaw Milosz Nobel Laureate for literature who wrote on the horrors of war and the human experience Written by a colleague and friend of the poet it is part literary criticism and part memoir This biography memoir of Czeslaw Milosz is a first hand account of the poet s life and his relationship to the author beginning in the 1960s Milosz was a Polish American poet prose writer translator and diplomat Regarded as one of the great poets of the 20th century he won the 1980 Nobel Prize in Literature In its citation the Swedish Academy called Milosz a writer who voices man s exposed condition in a world of severe conflicts *Ecstatic Pessimist* expands on Czeslaw Milosz s commitment to unpolitical politics working for a revolution in culture and above all poetry as a necessary preparation for a revolution in politics This is a familiar notion in Poland which for two centuries was politically divided but poets preserved and enhanced a lively Polish consciousness And as the book shows Milosz took steps over two decades to help reunite Poles in the successful Solidarity movement whose struggle eventually changed the regime and forced the Soviet armies to withdraw But the book is designed to encouraged a similar development in America Milosz s ambition for poetry may at first sound exotic but as the book says it is in the spirit of what John Adams wrote late in life to Thomas Jefferson The American revolution was in the mind of the people and in the union of the colonies both of which were accomplished before the hostilities commenced Though the book is also designed for those who already know and love Milosz it is primarily written for those looking for someone whose genius could similarly inspire Americans of both left and right to unite in restoring the badly broken politics of this country The book argues that Czeslaw Milosz is that genius as perhaps the only person who has been praised by intellectual leaders like Chris Hedges on the left and has also spoken at Hillsdale College the intellectual citadel of the American right **The Unraveling . . . of the Rug Merchants** Janice Zalewski,2012-11 Her head is spinning faster than a whirling dervish s Yet Christen the owner of the Galleria Persian Arts in the New Orleans iconic French Quarter is caught up in doing what is fun versus doing what is right Her intuition is good it tells her that this man might be trouble He looks like Omar Shariff knows Persian rugs and acts like he can sell a lot of them Her sensual nature wants to hire him on the spot Her Catholic Blessed Mother upbringing cautions her to be careful *The Unraveling of the Rug Merchants* recounts the undoing of 44 year old Polish Catholic Christen Janizeski by hiring Jamshid Khafezi an exiled Sufi mystic and Moslem rug merchant as her manager Booklovers take a metaphorical magic carpet ride around the Islamic
