**The New Reference Atlas of the World** C.S. Hammond & Company,1919      **Entrepreneurial Processes in the Era of Digital Transformation** Diego Matricano,Laura Castaldi,William E. Jackson III,Lou Marino,2023-10-24 The book deals with the issue of entrepreneurial processes in the era of digital transformation which is generating profound changes in the business environment blurring industry boundaries and creating unprecedented threats and opportunities for firms The phenomenon of digital transformation is simultaneously or alternatively observed from three different research perspectives The context in which entrepreneurial processes take place and its impact on them The impact of digitalization on the initial phase of entrepreneurial processes The profiles and the roles of individuals in entrepreneurial processes considering the team dynamics as well The growth path addressed to carry out entrepreneurial processes      **The Role of Origin of Fame in Influencer Branding** Julia Sinnig,2019-08-20 Based on a comprehensive quantitative study Julia Sinnig shows that the impact social media influencers have on brand related outcomes depends on the identification of consumers with social media influencers Additionally the cultural characteristics of countries in which consumers live play a significant role as to how consumers identification with social media influencers impacts their purchase intentions for brands that are advertised by these influencers Through these conceptually and empirically profound analyses the author detects interesting implications for the management of brands in the context of social media and brand management Especially when it comes to choosing the most suitable social media influencer for brand cooperations it is not the origin of fame that counts but whether customers identify with the influencer in the right way      *Pop Culture Yoga* Kristen C. Blinne,2020-01-23 *Pop Culture Yoga* A Communication Remix was born out of a series of questions about the paradoxical nature of yoga How do individuals and groups define yoga What does it mean to practice yoga and what does this practice involve What are some of the most important principles guidelines or philosophical tenets of yoga that shape people s definitions and practices Who has the power and authority to define yoga What are the limits if any of shared definitions of yoga Kristen C Blinne explores the myriad ways yoga is communicatively constructed and defined in and through popular culture in the United States In doing so Blinne offers insight into the many identity work processes in play in the construction of yoga categories illuminating how individuals and groups words and actions represent practices of claiming part of a complex communicative process centered around membership categorization based on a range of authenticity discourses Employing popular culture writing styles Blinne ultimately contends that the majority of yoga styles practiced in the United States are remixes that can be classified as pop culture yoga a distinct way of understanding this complex phenomenon      *The Handbook of Archival Practice* Patricia C.
