Dr. Agyajit Singh,2021-01-28 Positive psychology has its origin in the first decade of the twenty first century The present era  
is full of hustle and bustle tension strains and stresses anxiety conflicts frustration and maladjustment which have made the  
life of a human being a miserable one Psychology is not limited to the study of human behaviour but its scope has widened to  
the human welfare Psychologists are trying to make the life of a man mentally healthy happy and worth living Positive  
psychology is the outcome of all these adversaries which are being faced by a person in these days of fast life and high level  
competition Researches are being conducted in the areas of psychological well being emotional intelligence locus of control  
self efficacy and various other topics which are related with the welfare of an individual and which are concerned with his  
mental and emotional health Positive psychology lays more emphasis on inculcating positive behaviour among human beings  
Positivity of behaviour means developing positive thinking positive attitude and positive actions The present book POSITIVE  
PSYCHOLOGY SOME EMPIRICAL INDIAN STUDIES has been devised and prepared from this angle The editor of this book  
has highlighted the research studies of his PhD students who have completed their research projects during the last two  
decades under his supervision All these research problems are related with the different areas of positive psychology The  
purpose of this endeavor is to acquaint the readers of this book with the latest researches being conducted in these days in

India Moreover the future research students working in these different areas of Education Psychology and Physical Education will get benefit out of the conclusions drawn in these studies especially in the selection of their research problems Other scholars will also find the recommendations made in these studies useful to them in their lives The editor of this book is thankful to all his PhD students who have permitted him to quote their research findings and bring out their research work in a book form as it has highlighted their genuine work completed under his guidance He will be failing in his duty if he does not thank Mr Chander Mani Gosain Prop Of Friends Publication New Delhi who has attempted to give a beautiful shape to this book The writings of this book will advance the knowledge in the field of Psychology and Education This book is dedicated to all his students and friends who have showered him with their love and affection which is a source of
