**Information and Communication Technologies in Education, Research, and Industrial Applications** Athula Ginige, Heinrich C. Mayr, Dimitris Plexousakis, Vadim Ermolayev, Mykola Nikitchenko, Grygoriy Zholtkevych, Aleksander Spivakovskiy, 2017-11-03 This book constitutes the thoroughly refereed proceedings of the 12th International Conference on Information and Communication Technologies in Education Research and Industrial Applications ICTERI 2016 held in Kyiv Ukraine in June 2016 The 10 revised full papers presented together with one invited keynote paper were carefully reviewed and selected from 122 submissions The papers are grouped into topical sections on invited paper advances in ICT research ICT in education [World Englishes and Language Assessment](#) Chokri Smaoui, Aicha Rahal, 2022-01-21 The book is distinguished from previous publications by focusing on assessment issues in the context of world Englishes This topic is an important part of recent research in linguistics This volume can be used as a source and reference for teachers and researchers in the field It is valuable as it presents a number of case studies from different linguistic contexts It provides insights into the use of new ways of assessment and suggests some methods of assessment that should be used in multilingual settings to evaluate the different styles of learners with different local norms *ECEL2009- 8th European Conference on E-Learning*, Dan Remenyi, 2009 **Handbook of Research on Teacher and Student Perspectives on the Digital Turn in Education** Karpava, Sviatlana, 2022-06-24 In recent years the traditional way of teaching has been substituted by online teaching Teachers have had to think about efficient and effective teaching methods and activities in online delivery that can keep students interested and engaged It is important to examine teacher cognition and its relevance to classroom management and teaching practice as the role of technology in teaching and learning cannot be overestimated The Handbook of Research on Teacher and Student Perspectives on the Digital Turn in Education examines the cognitions of teachers and students their attitudes and perceptions regarding online teaching and their personal experiences and challenges regarding the use of online platforms and digital tools This book discusses the implementation of digital technologies in primary secondary and tertiary education that facilitates the learning and teaching process and creates a student centered environment Covering topics such as digital literacy student engagement and pedagogy this reference work is an essential resource for practitioners scholars administrators policymakers researchers academicians instructors and students **Australian Language & Literacy Matters**, 2004 **Tale of Two Cranes** Nathaniel Gronewold, 2023-09-08 It has been 50 years since the United States attempted a conservation revolution with the passing of the Endangered Species Act in 1973 Now fifty years later the Fish and Wildlife Service finds itself at a crossroads some recovery efforts are succeeding but too many are either failing or stuck in neutral even after decades of work Take for example the story of two cranes the whooping crane of southeastern Texas and the red crowned crane of northern Japan Both were pushed to the brink of extinction by the early 1900s with surviving populations numbering as few as 20 to 40 individuals and are now the subjects of

concerted recovery efforts led by advanced national governments The U S Fish and Wildlife Service has focused mainly on habitat protection while at Japan s Ministry of the Environment conservation authorities have leaned most heavily on direct population survival via a long standing winter feeding program These two case studies provide a template for comparing different approaches towards endangered species habitat management vs population management Thus far the Japanese approach has proved more successful but the story isn t over yet What can these lessons teach us about managing other endangered species Can species rehabilitation be standardized or must each effort be designed and implemented on a case by case basis A Tale of Two Cranes will serve as a launching pad for better understanding the progress and pitfalls inherent in endangered species management through 50 years of lessons learned since the landmark Endangered Species Act was enacted by the United States Congress in December 1973 Also considering its success stories like the Attwater s prairie chicken the ESA has had an enormous impact on conservation theory and practice throughout the world from Tasmanian devils in Australia to the vaquita porpoises of Mexico But worsening government budget constraints public inattention and a continuous string of setbacks experienced within numerous rehabilitation initiatives will all eventually conspire to challenge the conventional thinking on endangered species management like never before Author Nathaniel Gronewold explains how we got here where things stand today and what lessons conservationists must take to heart as the world continues to struggle to put a halt to an ongoing global extinction crisis *Academic Podcasting and Mobile Assisted Language Learning: Applications and Outcomes* Facer, Betty Rose, Abdous, M?hammed, 2010-12-31 The use of Academic Podcasting Technology and MALL Mobile Assisted Language Learning is reshaping teaching and learning by supporting expanding and enhancing course content learning activities and teacher student interactions *Academic Podcasting and Mobile Assisted Language Learning Applications and Outcomes* shares innovative and pedagogically effective ways to improve foreign language education by identifying the instructional uses and benefits of academic podcasting technology and MALL in foreign language acquisition These include instructional uses students perceived learning gains how instructors can use have used the technology successes and challenges study abroad experiences with the technology pedagogical impact and economic perspectives on its use *The Americas Social Security Report* ,2008 **Business English Smart Business Talk** Joern Meissner, Tracy C. Yun, 2008 A guide designed for young professionals at various levels to improve their communication skills and functional knowledge It provides an approach to targeting frequently misused slang or confusing words in an everyday business setting This book covers Useful common idioms useful euphemisms corporate hierarchy performance review and more *Preaching the Farewell Discourse* L. Scott Kellum, 2014-04-01 Through the lens of John the Apostle s Farewell Discourse found in John 13 31 17 26 seminary professor L Scott Kellum provides a step by step illustration of how to produce an expository sermon series *Library Journal* ,2001 *Chaus Online English Speaking Classes Notes* Abdus Sami Chaus, 2020-08-01 The book contains all the class notes sent to students WhatsApp during the course **Building**

**Family-School Partnerships in Secondary Math** Shakiyya Bland, Julitha Rials, 2026-01-08 When families join the equation they inspire and empower every student mathematician Many secondary math educators feel the gap between home and school when it comes to engaging families in their students mathematical development While traditional guardian involvement often lessens after elementary school research shows that authentic family engagement during the critical middle and high school years can significantly impact student success Building Family School Partnerships in Secondary Math offers a research backed approach to bridging this divide grounded in the Standards for Mathematical Practice Math Language Routines and Funds of Knowledge frameworks This practical guide addresses the unique challenges of secondary mathematics education from the cognitive and social changes students experience during adolescence to the increasing complexity of mathematical concepts Rather than adding unrealistic demands to already busy teachers and caregivers the book provides actionable strategies that honor the strengths and knowledge that educators students and families bring to the learning process Key features include Culturally responsive frameworks that connect students lived experiences to powerful mathematical practices Ready to use templates for family letters at home activities and communication tools Authentic vignettes showing successful family engagement in action across diverse communities Reflection questions and activities designed for both educators and families to use together Dr Shakiyya Bland and Dr Julitha Rials draw from their extensive experience in mathematics education and equity work to show how genuine partnerships can help students see math as relevant to their daily lives whether through cooking budgeting construction or community problem solving When families and educators collaborate meaningfully mathematical thinking grows deeper and students develop stronger identities as capable mathematicians ready for future success

**Rapidex English Speaking Course (Oriya)** EDITORIAL BOARD, 2015-01-09 A legendary language learning course undoubtedly Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only It has already benefited millions of readers across the country Experts have unanimously declared it as the best self study course Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market What is the secret of its great popularity Maybe a no nonsense down to earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners In any case it is not just another crash course that begins with a bang but ends with a whimper Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time The most important part of this self study course is confidence building measures because it has been found from the long experience

that biggest problem in the path of fluently speaking a foreign language is hesitation that arises out of lack of confidence Many people who have good command over the language and are well aware of its grammar and composition can't speak the language fluently Why The answer is simple While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line This creates not only confusion but utter chaos in their mind As a result they feel great hesitation to speak simple sentences In some cases however the problem is more complex as they lack the basic knowledge of the English language Rapidex English Speaking Course takes care of both the cases So what are you waiting for Go ahead and discover the secret of fluency in English speaking Explore and develop your hidden potential and face the world with a new found confidence and smartness Only the sky should be your limit No matter which language you know or speak be it Hindi Marathi Gujarati Tamil Telegu Assami Oriya Kannad Punjabi Bengali Nepali or Urdu with the help of this book English will no more be a foreign language for you A must for every Indian home v publishers Vocabulary Studies in First and Second Language Acquisition Brian Richards,2009-06-10 International scholars and researchers present cutting edge contributions on the significance of vocabulary in current thinking on first and second language acquisition in the school and at home By pursuing common themes across first and second language and bilingual contexts the editors offer a collection that tackles the most important issues **English Speaking Course for Beginners and Intermediate** Rich Johnson,2019-02-17 Free Video Course Included Your English is terrible That's what a customer said to me in front of my boss I felt so embarrassed and ashamed I almost quit my job For years I have been struggling to speak English fluently I watch YouTube videos and English movies all the time I study grammar and vocabulary but I still can't express myself I can't build up sentences correctly I'm so frustrated Can you help me This is what a student told me in our first class together He was very frustrated about his English fluency I felt bad for him and I made it my mission to develop an English training program to help people learn English faster and to speak it better Learning English and Speaking English ARE NOT the same They occur in different parts of the brain My student was developing his memory but not his speaking ability I started teaching this system to my students and their speaking skills dramatically improved Their sentences sounded more natural their pronunciation was clearer and their confidence was much higher If you want to speak English fluently then STOP learning it and START speaking it In this book you will learn How to Speak Fluently and Accurately How to start your sentences perfectly every time How to structure your sentences like a native How to talk about movies TV series family sports and so much more Hundreds of Questions and Phrases commonly used by native speakers 1000s of Vocabulary words BONUS Videos for every chapter Sleep Videos to help consolidate your learning Facebook group to ask questions So buy English Speaking Course for Beginners Intermediate Learn How to Speak English Quickly and Easily with Videos Conversation Pronunciation Phrases Vocabulary Grammar now
