OPERATING SYSTEMS

An aerial photograph of a large group of people, likely a marching band or a large group of students, arranged in a complex grid pattern on a dark surface. The people are wearing colorful clothing, including red, blue, and yellow, and are holding long poles or sticks. The grid is formed by the arrangement of the poles, creating a series of intersecting lines that form a grid. The background is a dark, possibly paved area, with some lighter-colored lines visible. The overall scene is dynamic and visually striking.
