Prophet Uebert Angel S:

Angels for You! René Serge-Djanie, 2019-10-01 WHO ARE THE ANGELS OF GOD To many even Christians angels are fairy tales and cunningly devised fables Many don't believe angels exist much more believe they are everyday personalities A few have told their experiences despising the mockery of unbelievers that suppose these spirit beings are only a mirage In this book you will discover the truth of their appearances after divine order as they appeared to notable men that walked with God They just don't appear with wings as many think They can appear without their wings which is often the case so we can relate to them without being afraid of them That's part of God's package for the redeemed In this unveiling mysteries of the ministry of angels Ren Serge Djanie gives a graphic presentation mixed with real life encounters with God's angels that propels the believer to thirst for the ministry of the angels of God Angels constitute The LORD of HOSTS They are sent as our messengers and servants In the Kingdom of God you can only share what you have experienced **Pentecostalism and**

Cultism in South Africa Mookgo Solomon Kgate, 2021-02-28 Pentecostalism is a growing movement in world Christianity However the growth of Pentecostalism in South Africa has faced some challenges including the abuse of religion by some prophets This book first names these prophets and the churches they lead in South Africa and then makes use of literary and media analysis to analyse the religious practices by the prophets in relation to cultism Additionally the book analyses the celebrity cult and how it helps promote the prophets in South Africa The purpose of this book is threefold First to draw parallels between the abuse of religion and cultism Second to illustrate that it is cultic tendencies including the celebrity cult that has given rise to many prophets in South Africa Last to showcase that the challenge for many of these prophets is that the Pentecostal tradition is actually anti cultism and thus there is a need for them to rethink their cultic tendencies in order for them to be truly relevant in a South African context *Regime, Religion and the Consolidation of Zanu-PFism in*
