Chaos Space Marines Jervis Johnson, 1999 **Lord of the Rings** Alessio Cavatore, Matt Ward, Rick Priestly, Talima Fox, Mark Owen, Alexander Boyd, David Gallagher, 2003-09 **The Missing Family of Jesus** Tobias Churton, 2012-01-01

The Holy Family of Jesus as commonly depicted in religious art is a myth fabricated by the early Christian church. Explaining this assertion Tobias Churton leads the reader on a fascinating and highly readable quest to discover all that is to be found in the historical sources about Jesus' family background, parentage and siblings and the possibility of his having descendants. When Romanized Christianity decided to bend the historical facts about true early Christianity Jesus was required to be the only son of God and to have been the product of a virgin birth so that he could avoid the taint of original sin. Any inconvenient siblings had to be written out of history to prevent them from muddying the theological waters. Even today in Catholic encyclopedias of the saints St James the Just the Zadokite while regarded as Jesus' brother by the majority of Church Fathers is instead called the son of Alphaeus deliberately obscuring any theologically compromising family relationship. This investigation is based on a thorough examination of a broad range of sources: the canonical evidence Gospels and Epistles, apocryphal evidence including the Gnostic gospels and rejected works of early Christianity including the Dead Sea Scrolls and the works of Josephus, Hegesippus and Eusebius and myths and legends about heirs known as the Desposynoi who either travelled to France or remained in Palestine centuries after Jesus. It must be the case that behind both the historical and the legendary evidence there exists a missing truthful picture of the family of Jesus. The task of the book is to establish as much of that truth as is historically possible within the bounds of reasonable probability. Churton [Christianity and Suffering](#)

Rodney L. Reed, 2017-12-14

We often hear these days that the centre of Christianity is moving toward the Global South and Africa is a key player in that movement. This makes the study of African Christianity and African realities important even more so when it is being done by Africans themselves in their own context. The Africa Society of Evangelical Theology (ASET) was created to encourage research and sustained theological reflection on key issues facing Africa by and for African Christians and those working within African contexts. The volumes in the ASET series constitute the best papers presented at the annual conferences of ASET and together they seek to fill this important gap in the literature of Christianity. Africa is all too familiar with suffering. Yet there is a dearth of sustained theological reflection on suffering by Africans or for Africans. *Christianity and Suffering: African Perspectives* addresses this need and is the fruit of the 5th Annual Conference of the Africa Society of Evangelical Theology. The contributions address age-old issues like why God does not prevent or relieve human suffering; they wrestle with causes of suffering including witchcraft, poverty, curses and war, and they also explore appropriate Christian responses to suffering all from within the African context. The Africa Society of Evangelical Theology (ASET) is a professional society founded in 2009 for the purpose of fostering evangelical theological scholarship and to facilitate collegial

relationships among scholars and practitioners of the Christian religion in Africa Its core values are 1 Faithfulness to the Bible 2 Professional ethics 3 Creative and critical thinking 4 Christ like humility 5 Community of scholars encouraging respecting and learning from one another and 6 Development and inspiration of young scholars To learn more about ASET please visit its Facebook page facebook com AfricaSocietyOfEvangelicalTheology **Lizardmen** Anthony Reynolds, Phil Kelly, Mark Havener, Dylan Owen, Mark Owen, Nathan Winter, Alexander Boyd, Paul Dainton, Karl Kopinski, 1989
