Listener and BBC Television Review, 1986 Still Open All Hours Graham McCann, 2014-10-30 From its first episode in 1973 *Open All Hours* was an instant hit. Audiences around Britain loved its familiar setting, good natured humour and the hilarious partnership of Ronnie Barker and David Jason. Whilst it only ran for 26 episodes, it firmly cemented itself as a British comedy classic. To celebrate the 40th anniversary of the show in 2014, the BBC revived it for a one-off Christmas Special. *Still Open All Hours* was swamped by a tsunami of audience affection and the BBC promptly commissioned a full series. The first episode of the fifth series is expected to air in late 2014. With recollections from David Jason, his fellow cast members and from the scriptwriter Roy Clarke, plus never-before-seen BBC archive material, acclaimed popular TV historian Graham McCann tells the inside story of this very British sitcom with wit, insight and affection. Script to Screen Allan Prior, 1996-06 Book tells story of production from the writers' conception to the final showing of five plays presented on British television. **Reading the Decades** John Sutherland, 2002 From literary classics to cookery books, blockbuster airport novels to self-help manuals, John Sutherland offers a portrait of Britain through the books that have inspired, excited and encouraged us to part with our cash. By exploring popular reading since 1945, Sutherland reveals a rich and compelling picture of the books themselves, the tremendous social changes and our responses to them. After the upheaval of World War II, Dr Eustace Chesser's ground-breaking sex manual *Love without Fear* reminded us how to make love, not war, amid the austerity of food rationing. Elizabeth David wrote the first of her bestselling cookery books when most people could only dream of new foods and flavours. However, optimism soon turned to Cold War paranoia, which inspired John Wyndham to create his apocalyptic science fiction of the 1950s. Ian Fleming and John le Carr responded with their espionage thrillers of the 1960s, and in the 1980s Peter Wright achieved notoriety with his all-too-factual *Spycatcher*. Occasionally, developments in publishing have themselves prompted social change. The acquittal of Lady Chatterley's Lover for obscenity in 1960 emancipated fiction in Britain, opening the way both for the blockbuster novels of the 1970s and 1980s and, in the 1990s, for the shocking realism of Irvine Welsh's *Trainspotting*. With media globalization, Stephen King's *Carrie* and Bronowski's *The Ascent of Man* became forerunners in a franchise industry embracing print, film and merchandise, continuing today with the enormous success of *Harry Potter* and *The Lord of the Rings*. Lively, entertaining and often humorous, *Reading the Decades* provides a unique view of the cultural and social history of the later twentieth century. Politico's Guide to Political Lobbying Charles Miller, 2000 This book seeks to show how to successfully master the act of political lobbying. It takes the reader through the political labyrinth and shows how to avoid pitfalls and how to put your case properly. **Nigel Hawthorne on Stage** Kathleen Riley, 2005-04-27 This book is the authorised and fully documented history of the 50-year career of the late Sir Nigel Hawthorne, beloved star of *Yes Minister*, *Private's on Parade*, *Shadowlands* and *The Madness of George III*. Enriched and illuminated by the personal insights of the actor himself, it also includes interviews with his close friends and colleagues, including Alan Bennett, Samuel Goldwyn Jr, Nicholas Hytner, Thelma Holt, Jonathan Lynn and Sheridan.

Morley Structured along the lines of a play the book comprises three distinct Acts the first covers the developmental phase of Nigel Hawthorne s career in South Africa in provincial rep in England and his life changing discovery by Joan Littlewood Act Two explores the distinctive qualities of the mature actor and gives fascinating details of his acting methodology how he researched and prepared roles his intense study of the play text and crucially his interaction with fellow actors writers and directors There is also an Interval which deals with Sir Nigel s own work as a director and playwright Act Three consists of uniquely detailed chronologies In focusing on the personal journey of one of Britain s finest actors Nigel Hawthorne on Stage also gives an excellent appraisal of post war English theatre including particularly valuable material about Joan Littlewood s Theatre Workshop and the controversial English Stage Company at the Royal Court BOOK JACKET **Atlantic Journal**,1991 The World & I ,1987 Commentary ,1987 Rob Wagner's Beverly Hills Script ,1941 The Beilis

Transcripts Ezekiel Leikin,1993-04 The Beilis trial had been engineered by high officials in the czarist hierarchy and reflects the maladies and misadventures of Imperial Russia before its collapse in the 1917 Revolution Beilis was in a very real sense a scapegoat of extreme forces including the rabidly anti Semitic Black Hundred which held sway over Russian body politic under the last czar Nicholas II It was only in the aftermath of the Revolution in 1917 that the archives of Imperial Russia were opened to public scrutiny These declassified documents revealed the full scope of the conspiracy and how leading ministers of state were involved in staging the trial in a way that would malign Judaism and the Jewish people Many books have been written about the Beilis trial the most well known being The Fixer by Bernard Malamud The Beilis Transcripts The Anti Semitic Trial that Shook the World is unique in that it provides in abbreviated form the chemistry of the Beilis trial itself
