Unit 2A: The Verbal Group: Finites and Non-Finites

Objectives of the Basic English Grammar module

As a student at any level of University study, when you write your assignments or your thesis, your writing needs to be grammatically well-structured and accurate in order to be clear. If you are unable to write sentences that are appropriately structured and clear in meaning, the reader may have difficulty understanding the meanings that you want to convey. Here are some typical and frequent comments made by markers or supervisors on students' written work. Such comments may also appear on marking sheets which use assessment criteria focussing on your grammar.

- *Be careful of your written expression.*
- *At times it is difficult to follow what you are saying.*
- *You must be clearer when making statements.*
- *Sentence structure and expression poor.*
- *This is not a sentence.*
- *At times your sentences do not make sense.*

In this module we are concerned with helping you to develop a knowledge of those aspects of the grammar of English that will help you deal with the types of grammatical errors that are frequently made in writing.
