Acts Chapter 4 Study Guide:

Luke: An Introduction and Study Guide Greg Carey, 2017-01-12 Greg Carey's guide equips readers to develop their own informed assessments of Luke's Gospel. The book begins with an inductive exposition of Luke's singular approach to composing a story about Jesus, examining its use of Mark's clues to its social setting and its distinctive literary strategies. Recognizing that many readers approach Luke for theological and religious reasons while many others do not, a chapter on Spirit addresses Luke's presentation of the God of Israel, how the Gospel ties salvation to the person of Jesus, and how the problems of sin and evil find their resolution in the kingdom of God and in the community of those who follow Jesus. A chapter on Practice examines the Gospel's vision for human community. While many readers find a revolutionary message in which women, the poor, Gentiles, and sinners find themselves included and blessed in Luke's Gospel, this volume calls attention to inconsistencies and tensions within the narrative. Luke does speak toward inclusion, Carey argues, but not in a revolutionary way. Could it be that the Gospel promises more than it delivers? Carey suggests that Luke speaks to people of relative privilege, challenging them toward mercy and inclusion rather than toward fundamental social change. An Epilogue reflects upon contemporary readers of Luke, most of whom enjoy privilege in their own right, and how they may respond to Luke's story.

SCM Studyguide: Books of the New Testament Ian Boxall, 2013-01-26 *SCM Study Guide New Testament Books* together with its companion volume on *New Testament Interpretation* offers an up-to-date, accessible introduction to this fast-changing area of theological study. Aimed at level one students, it encourages interaction with the New Testament texts and provides pointers for further reading and learning. The book describes the world out of which the New Testament came and what can be known of the key figures of Jesus and Paul before discussing the 27 books in turn. At every stage, attention is paid to the range of questions New Testament interpretation raises, historical, literary, theological, with worked examples from specific passages. Topics of particular interest include: What can be known about Jesus? Why are there four gospels? What is the Legacy of Paul? Does Revelation predict the End of the World?

From Buddy to Boss 2nd Edition Study Guide Chase Sargent, Chase Sargent's *From Buddy to Boss Study Guide* complete with an answer key and page number references perfectly complements his best seller *From Buddy to Boss Effective Service Leadership*. Before he started teaching these leadership skills, it quickly became apparent that leadership and human resources training was as scarce as water in a desert, and that the re-service was thirsty. Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader. Many leaders are surrounded by external politics, hidden agendas, scale constraints, and manipulative people—all factors to consider when navigating your career. *From Buddy to Boss* reinforces that the fire service desperately needs leaders. This book and study guide will help develop frontline personnel as leaders.
