Processing Services, 2009 **Cataloging Service Bulletin** , 2009 **Inside Salafi-Jihadist Governance** Marta Furlan, 2025-09-23 In the years following the Arab Spring a number of Islamist insurgent groups conquered swaths of territory across the Middle East and North Africa and began governing civilian populations These groups have been faced with the complexities of administering justice collecting taxes and providing public services such as health care and education How do Salafi jihadist armed groups which typically claim to be committed to ideological purity approach administration and what does this reveal about rule by insurgent forces This book is a groundbreaking comparative exploration of Salafi jihadist governance drawing on in depth case studies of the Islamic State in western Iraq and eastern Syria Hayat Tahrir al Sham in northwestern Syria and al Qaeda in the Arabian Peninsula in southern Yemen

Marta Furlan examines rebels experiments in ruling considering issues such as the treatment of non Muslims the extent of civilian participation the use of coercive measures and the scope of social and political change She assesses whether there is a single model of Salafi jihadist governance the degree to which ideology and doctrine inform the behavior of rebel rulers and the similarities and differences between Salafi jihadists and other armed nonstate groups Offering a window into the inner workings of government and civilian life under Islamist power Inside Salafi Jihadist Governance sheds new light on rule by nonstate groups more broadly *RDA Around the World* Marie-France Plassard, Gordon Dunsire, 2017-10-02 This book provides a snapshot of the implementation in various countries around the world of the international cataloging standard RDA resource description and access All stages of implementing a new standard are covered from initial assessment and impact analysis through translation staff training and data migration to implementation and user orientation Contributions include the results of detailed research into awareness of the standard in professional groups differences between catalog metadata produced using RDA and current local standards and the effect of RDA on the presentation of catalog displays to the end user The contributions cover aspects of RDA implementation in Canada China German speaking countries Iran Israel Mexico the Philippines Singapore and Turkey and French German and Spanish translation activity The information contained will be relevant for many years to come for those who are intending to implement RDA review the quality of legacy data measure the impact of the globalization of cataloguing data or prepare for education and orientation in international bibliographic standards This book was published as a special double issue of *Cataloging and Classification Quarterly*

Qaboosism in Historical Perspective: British Policy, Rule Legitimacy and Resistance in Oman Mohammed Al-Fazari, 2026-01-27 This book examines the outcomes and impact of the interaction between three factors British foreign policy political legitimacy and popular resistance in Oman and how these factors contributed to the emergence and shaping of the Qaboos regime This book argues that despite its formal independence Oman functioned as a de facto British protectorate consolidated through treaty agreements and covert support Although there were various potential political outcomes at the onset of Sultan Qaboos rule British policy favoured absolute individual authority aligned with their economic and strategic interests Despite Qaboos s attempts to distance himself from his predecessor in effect he was merely a new link in the chain of British imperial sovereignty The ramifications of the leftist Oman Revolution significantly shaped the regime s subsequent attitude to information control and security This quasi totalitarian approach marked by a cult of personality imposed on the Omani populace also distinguishes the Qaboos regime from other Gulf states This study thus sheds light on the multifaceted historical relationship between Oman and Britain examining the complex dynamics which culminated in Qaboosism **The Middle East Collection** University of Texas at Austin.
