Presentation Skills Michael Weiss,2015-08-03 The popularity of the TED talk has raised the bar for public speaking and presentations Audiences expect to be educated inspired and engaged whether they are sitting in a conference room or an auditorium Yet too often presenters lack the skills to take command and deliver persuasive and entertaining pitches and presentations The audience is the hero of the story and the presenter is their guide to take them on a journey Like a one act play a presentation is not a meeting it s a performance And it is the job of the presenter to respect the audiences wishes wants and needs With the advent of smartphone the job of the presenter to keep the audience s attention on them rather than on the tiny device in their hand has become increasingly more difficult The purpose of this book is to inspire you to take the next step in your presentation skills and practice

Public Speaking Steven D. Cohen,2011 Public Speaking The Path to Success explores the techniques that powerful public speakers use to design and deliver speeches that captivate their audience members The book takes students on a personal journey of discovery that makes them think about their default public speaking behaviors and challenges them to improve their public speaking skills It doesn t simply repackage old ideas it introduces students to a unique set of insights and techniques that they can use right away to become more effective public speakers While most public speaking books discuss preparation fundamentals and basic speaking techniques Public Speaking The Path to Success guides students through an exciting array of advanced construction and delivery concepts and illustrates how these concepts are used in practice It is a must read for students who want to speak powerfully from the podium and motivate their audience members to act
