no accurate copy forthcoming in 1550 on account of the pillage and disasters to which the city had been subjected he refers presumably to the sack of Rome in 1527 hence they had been somewhat altered My opinion was that out of the two sets which we had before us a third more appropriate than either might have been drawn up but when the matter was proposed in the Congregation of Cardinals appointed for the revision of ceremonies they decided that as regards the versicles 1The copy here quoted is contained in MS Addit 26811 at the British Museum and prayers the precedent of Julius III s time should be adhered to in every particular The fact is adds Mucanzio we have nothing prescribed about this matter in the Book of Ceremonies 1 and on this ac **The Complete Analysis of the Holy Bible** Nathaniel West,1868
