Studio della Boxe Bagua Sun Lutang, Luigi Zanini, 2020-02-14T00:00:00+01:00 Intessuto di precisi riferimenti alchemici e filosofici lo Studio della Boxe Bagua di Sun Lutang uno dei testi pi affascinanti e il primo a essere stato scritto su questa originale e complessa arte marziale Composto da un grande combattente della vecchia generazione che incarnava l ideale del letterato guerriero dotato di un eccellente cultura e che fu portato a modello dei giovani per rilanciare lo spirito nazionalistico in un difficile momento storico della Cina del primo Novecento il libro ha dato un grande impulso alla ripresa della pubblicazione di manuali sulle arti marziali e ha creato le basi per la cultura di queste discipline cos come le intendiamo oggi in Occidente Il suo messaggio profondo nel modo quanto semplice nella prassi la maestria si racchiude in una pratica costante e in uno spirito aperto alla crescita *Geschichte und Philosophie des Taijiquan* Christian Unverzagt, 2024-09-23 In sieben Untersuchungen geht der Autor der Geschichte und der Philosophie des Taijiquan Taichi nach u erst kenntnisreich legt er Grundlagen dieser sanften Kampfkunst frei Er macht nicht nur alte Texte zug nglich sondern bringt auch neue Aspekte in alte Debatten ein Unter anderem weist er auf einen Zusammenhang zwischen den Ideen des Taijiquan und der alten chinesischen Kunsttheorie hin Wer sich mit Taijiquan besch ftigt sollte diese Texte kennen **Research of Martial Arts** Shifu Jonathan Bluestein, 2014-07-27 Jonathan Bluestein s *Research of Martial Arts* is a book about the true essence of martial arts It includes neither instruction on deadly killing techniques nor mystical tales of so called super human masters Rather it is a vast compilation of seriously thought out observations made on the subject by the author as well as many other martial artists and scientists with a slight touch of history and humour The goal of this project had from the start been to surpass the current standard in the martial arts literary market and offer readers worldwide something which they have never seen before In essence a book in which are found countless answers for martial arts practitioners which they cannot be read elsewhere which address commonly discussed martially related topics with breadth and depth unparalleled in other works to this day in any language It holds among its pages no less than 220 000 words containing knowledge which would be coveted by many The aim of this book is to present the reader a coherent clear cut and in depth view of some of the most perplexing and controversial subjects in the world of martial arts as well as providing a healthy dose of philosophical outlook on these subjects from various individuals At its core is the author s aspiration to build a stronger theoretical foundation for the discussion of martial arts while addressing matters in innovative ways which I have come to believe would help people to better grasp the nature of these arts There are books by authors who will tell you that some aspects of the martial arts are too complex for concrete coherent and defined explanations Others have used ambiguous terminology to explain what they could not pronounce otherwise This is no such book This book was written to provide you with the solid applicable answers and ideas that you could actually understand and take away with you This book is mainly comprised of three parts Part I From the Inside Out External and Internal Gong Fu This is essentially mostly a very long thorough discussion of martial arts

theory and practice Traditional and modern concepts and methods are discussed through the mediums of Physiology Biology Anatomy Psychology Philosophy Western and Oriental alike sports science and the author's personal experiences The Internal Martial Arts of China receive a special lengthier treatment in this part of the book Part II Contemplations on Controlled Violence This one is of a Philosophical and Psychological nature and contains the author's thoughts on the martial arts and their manifestation in our daily lives with guest articles by various martial arts teachers Part III The Wisdom of Martial Spirits Teachers and the Things They Hold Dear This part includes various interesting and comprehensive interviews with distinguished martial arts masters spanning dozens of pages each Every one of the interviewees is a person whose views and ideas are thought provoking and well worth reading The teachers interviewed in this book are Master Chen Zhonghua Chen Taiji Quan Master Yang Hai Xing Yi Quan Bagua Zhang and Chen Taiji Quan Shifu Strider Clark Tongbei Quan Wu style Taiji Shuai Jiao and more Shifu Neil Ripski Traditional Drunken Fist and many others Sifu James Cama Buddha Hand Wing Chun and Southern Praying Mantis Itzik Cohen Sensei Shito ryu Karate No matter the age rank status or experience this book was written for everyone who see themselves part of the martial arts community It is my sincere hope that any person who reads this book will benefit from the time he or she had spent doing so May this work encourage others to continue intelligent writing and research in the field as I was pushed forth and built upon the knowledge others have shared before me May you have a pleasant reading experience
