Enduring Love:

Enduring Love Ian McEwan, 2010-07-20 Discover the tragic masterpiece from Booker prize winning internationally bestselling Ian McEwan One windy spring day in the Chilterns Joe Rose's calm organised life is shattered by a ballooning accident The afternoon could have ended in mere tragedy but for his brief meeting with Jed Parry Unknown to Joe something passes between them something that gives birth in Parry to an obsession so powerful that it will test to the limits Joe's beloved scientific rationalism threaten the love of his wife Clarissa and drive him to the brink of murder and madness A plot so engrossing that it seems reckless to pick the book up in the evening if you plan to get any sleep that night A S Byatt

Women and Romance Susan Ostrov Weisser, 2001-07 Weisser English Adelphi U writes that her anthology is for anyone who is interested in understanding the conflicted but powerful female urge to experience the pleasure and endure the pain of romantic love In particular she explores the collision of pervasive media images of romance with feminist values of independence and self assertion Several dozen historic and contemporary works of criticism personal essays and letters by feminist and anti feminist thinkers consider changing images of romantic love and whether romance fundamentally weakens or empowers women Contributors include Jean Jacques Rousseau Charlotte Bronte Karen Horney Simone de Beauvoir Rita Mae Brown bell hooks Vivian Gornick and Carolyn Heilbrun c Book News Inc Family and Relationships in Ian McEwan's Fiction Tomasz Dobrogoszcz, 2018-02-23 The book provides a lucid analysis of all Ian McEwan fiction published to date from his 1975 debut short stories up to the 2016 novel Nutshell spanning forty years of his literary career Apart from a general discussion of McEwan's works the study offers a uniform focal point it concentrates on one of the key issues taken up by the writer the aspect of relationships between partners and between family members As the book demonstrates the novelist employs interpersonal relations to establish a pertinent context in which he can dramatically portray the process of identity formation in his characters Throughout his fiction McEwan consistently uses references to psychoanalysis either veiled or direct The proposed book investigates the novelist's oeuvre through the lens of the psychoanalytic theory developed by Jacques Lacan The approach used makes the book useful both for readers well familiar with this apparatus and for those who need introduction to Lacanian psychoanalysis and such of his concepts as desire fantasy the symbolic order or the Name of the Father
