Passover Exodus Ten Commandments:

The Ten Commandments Reconsidered James E. Smith, Ph.D.,2016-06-08 A discussion of each of the Ten Commandments and its connections with the remainder of the Law of Moses the teachings of the prophets and the New Covenant revelation

The Mythological Traditions of Liturgical Drama Christine Schnusenberg,2010 This unique comprehensive work tackles questions posed by the polemics of the Church Fathers against the Roman theater and explores the subsequent developments of Western liturgical drama as a continuation of the Roman theater up to the time of Amalarius of Metz in the ninth century

My Personal Relationship with the Creator Sister Alene Folsom,2022-08-29 All men born into this world are visitors from the angelic world The human soul is a theological topic of discussion throughout the world Many religionists including Christian study the subject of the soul However they do not reach a unified opinion but only discuss it or teach it in their own ways Wherever you go you can not hear any thesis or sermon which is definite convincing and consistent It is because the biblicists today do not realize the fundamental principle of the soul If you realize completely how all the heavenly hosts and angels the sons of God and the souls of men were created by God then you will fully understand the soul its past present and future This book will give you understanding of how the human soul and angels were created and will also give you insight into the angelic world this human world and the next world It will clearly show you where the human soul came from and where it will return to If anyone preaches without knowledge of where the human soul comes from and where it returns to he has no confidence in his sermon Without knowing where you are from how can you say that you know where you will return to However of you study this book you will realize that you were close friends with the son of God and the angels of heaven before you came into this world and you will believe that the angels and the sons of God who have not sinned are waiting for you to repent of your sins and return to heaven Now you can neither see nor understand all these things clearly because you have put on a veil of sin But if you gain thorough knowledge of the soul you will look forward to meeting them all again with joy and hope This book reveals undeniable truths about the soul based on the Bible Please study this book seriously

Martin Luther King's Biblical Epic Keith D. Miller, 2011-11-15 In his final speech I've Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination But King gave an hour long speech and the concluding segment can only be understood in relation to the whole King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting Even though King cited and explicated the Bible in hundreds of speeches and sermons Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring In his final speech King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience In doing so Miller puts

forth the first scholarship to credit the mostly unknown but brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech
