**Prince of Tricks** Jane Kindred,2021-07-12 When desire rises angels will fall Over the past century Belphegor has made a name for himself in Heaven's Demon District as a card sharp thief and charming rogue Though he's content with his own company he enjoys applying the sweet sting of discipline to a willing backside angel demon and even the occasional human He's not particular But when a hotheaded young firespirit steals his purse and his heart all bets are off Vasily a former rentboy and cutpurse from the streets of Raqia has never felt safer than in the arms and at the feet of the Prince of Tricks He's just not sure if Belphegor returns his feelings The attentions of a rich angelic duke provide the perfect opportunity to find out whether Belphegor is willing to fight for him but the foolish game backfires spectacularly When the duke frames Vasily in an assassination plot Belphegor will do whatever it takes to clear his lover's name and expose the real traitor Because for the first time in his life the Prince of Tricks has something to lose See this title's page on RiptidePublishing.com for content warnings

**Counterpoint** Rachel Haimowitz,2011-12-12 It is the twilight of mankind Depleted by generations of war with a race of dark beasts humanity stands on the brink of extinction The outlands are soaked with the blood of the fallen The midlands are rotting with decadence and despair Elfkind estranged by past crimes watches and waits for nature to run its course And then the two collide Ayden's life has long been guided by two emotions love for his sister and hatred of all things human When he's captured in battle he is enslaved in the service of a human prince Freyrik Farr Freyrik's always known elves to be beautiful and dangerous but never has one affected him as deeply as Ayden Teetering on a dagger's edge between duty and high treason Freyrik discovers that some choices can change a life and some an entire world Between prejudice politics pride and survival Ayden and Freyrik must carve a new path no matter how daunting For nothing less than the fate of both their peoples rests on the power of their perseverance and their love

**Power Play: Resistance** Rachel Haimowitz,2024-08-12 Give me six months and I'll give you the world Brandon McKinney has scraped and sacrificed for what little in life he's ever had Though it's been fifteen years since he escaped his father's abuse the damage remains Trust seems as far out of reach as his dream of becoming an architect and though he's come to accept being gay he can't deny the shame and confusion he feels at other urges the deeply repressed desire to submit Jonathan Watkins is a self-made Silicon Valley billionaire whose ex-wife took half his money and even more of his faith Comfortable as a Dominant but wary of being hurt again he resorts to anonymous pickups and occasional six-month contracts with subs seeking only a master not a lover When a sizzling back-alley encounter cues Jonathan in to Brandon's deep-seated submissive side he makes the man an offer Give me six months of your life and I'll open your eyes to a whole new world Brandon doesn't care about that all he wants is the six million dollars Jonathan's offering so he can buy the construction company he works for But he soon learns that six months on his knees is no easy feat and shame and pride may keep him from all he ever wanted and all he never dreamed he had any right to have Lightly revised 2nd edition Reader discretion advised While consent is clearly established and
