Summary of Mel Lindauer, Taylor Larimore, Michael LeBoeuf & John C. Bogle's The Bogleheads' Guide to Investing Everest Media,2022-03-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The government will not let you starve but it is not committed to making your golden years golden That is up to you The majority of Americans who are about to retire will depend on government handouts for their retirement 2 The Borrowers financial future is headed over a cliff Not only are they failing to build wealth but they are building negative wealth or debt They rob tomorrow to pay for today 3 The American lifestyle more closely resembles that of Chad and Cathy Consumer than that of the Borrowers Instead of borrowing to the max Americans spend to the max based on their combined net incomes 4 The Consumers financial lifestyle is all about earning to spend They never stop to consider how much they re adding to the cost of the purchase or how long they will be paying for it They believe they own their lifestyle but in reality they are just renting it The Man in the Arena Knut A. Rostad,2013-11-26 The importance of the life s work of mutual fund pioneer and investing legend John C Bogle The Man in the Arena offers the essence of John C Bogle s thinking and the meaning of his life s work which transformed individual investing to benefit tens of millions of investors Through Bogle s own words as well as the voices of others whose hearts and minds he touched the book touches on topics he cares about most deeply Vanguard indexing corporate governance and a fiduciary society From Vanguard shareholders to true giants in finance one cannot read their words without being struck by their sheer intensity Bogle s parade of admirers is passionate It is led by arguably the two most acclaimed leaders of our day in the world of investing and the public life of the world Warren Buffett and President Bill Clinton The book is a first take at putting Bogle s life work into a broader context It includes some of Bogle s classic essays and leads to an agenda of reform Bogle feels is essential to preserve our democratic republic It features insight on the man from such commentators as Arthur Levitt Burton Malkiel Paul Volcker and many more Features wisdom and commentary on the career and life of legendary investor John C Bogle Presents a summary of Bogle s prominent and successful career as well as his investing strategies Includes commentary from a Who s Who of top investors **The Four Pillars of Investing, Second Edition: Lessons for Building a Winning Portfolio** William J. Bernstein,2023-07-25 The classic guide to constructing a solid portfolio without a financial advisor First published two decades ago The Four Pillars of Investing has been the go to resource for an entire

generation of investors This updated edition of the investing classic provides the foundational knowledge you need to avoid the most common pitfalls and build a portfolio in today's roller coaster world of investing Retired neurologist and master investor William J Bernstein has seen it all throughout his career Buying investments with borrowed money Chasing past performance Overestimating one's own risk tolerance Listening to cable news These are just a few of the many mistakes he has witnessed smart serious investors make to the peril of their portfolios Add to these behavioral errors such economic factors as deflation sudden stock declines soaring inflation and the like and investing can seem like something to be avoided at all costs But with the right discipline and knowledge you can build and manage an impressive portfolio It all comes down to understanding four key pillars Theory Risk and return go hand in hand you can't make money without risk History Understand past markets to understand today's markets Psychology Avoid the most common behavioral mistakes that tank portfolios Business The cost of investment services can be high unreasonably high After taking you on a deep dive into each of these topics Bernstein walks you through the process of designing and maintaining a powerful portfolio Times have changed Economies have changed And markets are ever changing But sound investing principles haven't changed Use The Four Pillars of Investing to stay a step ahead of your investing peers and build a portfolio to be proud of

The Bogle Effect Eric Balchunas, 2022-04-26 The index fund wouldn't be Jack without Jack It was just one innovation fueled by The Vanguard Group founder Jack Bogle's radical idea in 1975 to make investors the actual owners of his new fund company While the move was as much to save his job as it was to save investors the end result was powerful a fund company for the people and by the people Bogle began a 50 year process of lowering costs inch by inch which ultimately unleashed a populist revolt that has saved average investors trillions of dollars while reforming and right sizing much of the entire financial industry Today nearly every dollar invested in America goes to either Vanguard funds or Vanguard influenced funds But Bogle's impact and this great cost migration reaches well beyond index funds into many other areas such as active management ETFs the advisory world quantitative investing ESG behavioral finance and even trading platforms The Bogle Effect takes readers through each of these worlds to show how they and the investors they serve are being reshaped and reformed While hundreds of fund providers have copied the index fund that Vanguard made popular no one is yet to copy its mutual ownership structure Why This book explores that question as well as what made Bogle such an anomaly seemingly immune to the overwhelming magnet of ambition that dictates Wall Street made famous by movies like Wall Street The Big Short and The Wolf of Wall Street On the flip side Bogle wasn't perfect by any stretch he could be moralizing cantankerous and tended to make virtue out of necessity The Bogle Effect is animated by the author's hours of one on one exclusive interviews with Bogle in the years before he passed which reveal his philosophy vision intellect and humor Dozens of additional interviews with people who worked with him lived with him were influenced by him and disagreed with him round out a portrait of this revolutionary figure You will never look at the financial industry or your portfolio the same way again
