Raising Literacy Achievement in High-Poverty Schools Eithne Kennedy, 2014-01-03 This book

shares lessons gleaned from a two year intervention in a high poverty school which was highly successful in significantly narrowing the literacy achievement gap and in raising children s motivation and engagement in literacy both inside and outside school Kennedy argues that there is much that disadvantaged schools can do to close the gap but this is more likely

to occur when a research based approach to instruction with a dual emphasis on cognitive skills and motivation and engagement assessment and professional development is undertaken Otto E.
