A Complete Dictionary of Muslim Names Abul Hasanain Sheikh,2005 A Standard Dictionary of Muslim Names, with 99 Ninety Nine Names of Allah ,19?? **A Dictionary of Islam** Thomas Patrick Hughes,1895 **The Colonization of Names** Benjamin C. Brower,2025-08-19 French colonization dismantled Algerian names Under the occupation that began in 1830 not only were Algerian towns and streets renamed in honor of French figures but personal names were forced to follow French conventions and norms Colonial authorities simplified and transformed Algerian names to suit their administrative and legal purposes crudely transcribing and transliterating Arabic and Berber They imposed a two part name and surname model that stripped away the extended family ties and social context inherent to precolonial naming practices This groundbreaking history of personal names in nineteenth century Algeria sheds new light on the symbolic violence of renaming and the relationship between language and colonialism Benjamin Claude Brower traces the changes Algerians personal names suffered during the colonial era and the consequences for individuals and society France s imposition of new names he argues destabilized Algerians sense of self and place in the community distorted local identities and compromised institutions such as the family Drawing on previously unstudied records Brower examines different northwestern African naming traditions and how colonialism changed them With the aid of literary and critical theory he develops new insights into the

name and its relationship to power and subjectivity A rigorous theoretical and historical account of symbolic violence The Colonization of Names unveils many unseen forms of harm under colonial rule
