AACE International's Certified Estimating Professional (CEP) Certification Study Guide Charles Woodward, Neil Opfer, 2016-11-08 AACE International's Certified Estimating Professional CEP Certification Study Guide 2nd edition summarizes the recommended study areas that candidates should review in preparing to take this AACE certification examination. The intent of the study guide is to assemble and summarize various topics considered essential for CEP knowledge as outlined in AACE Recommended Practice 11R 88 Required Skills and Knowledge of Cost Engineering and included in the current edition of AACE's Skills and Knowledge of Cost Engineering and the Total Cost Management TCM Framework **Project and Cost Engineers' Handbook** Kenneth K. Humphreys, 2004-11-30 Making the specifics of a complex concern accessible and its handling quite manageable, this fourth edition of the Project and Cost Engineers Handbook examines the variables associated with international projects and project risk analysis. It provides instruction on contingency planning, delves into ethical considerations, considers the impact of *Construction Schedules: Analysis, Evaluation and Interpretation of Schedules in Litigation and Dispute Resolution - 4th Edition* Michael T. Callahan, 2011-06-01 The Fourth Edition of Construction Schedules examines the use of construction schedules in resolving disputes over contract time extensions and the economic consequences of such and takes an in-depth look at the only lasting opinions that count in this litigious arena. These opinions are the ones expressed by the United States court system and other third-party neutrals across the world. Construction schedules are now globally used and analyzed to establish and prove opposing positions when projects are completed later than promised occurrences that are attributable to a multitude of causes during the construction process. Entitlement to equitable adjustments due to changed conditions is now argued across the globe and American court opinions are the linchpin landmarks for neutral decision makers. The current edition of Construction Schedules reflects the current thinking of the courts and suggests how parties and their attorneys should prepare and proceed in litigation, arbitration, or mediation. For anyone involved or potentially involved in construction schedule litigation and or dispute
