Going The Extra Mile:

Servant Leadership in Nursing Mary O'Brien, 2011 *Servant Leadership in Nursing Spirituality and Practice in Contemporary Health Care* embraces the philosophy that a true leader in any venue must be a servant of those he or she leads. This text includes current information on the relevance of servant leadership for nurses practicing in a health care setting with extensive literature review on leadership in nursing and healthcare as well as on servant leadership. This unique text also includes many powerful and poignant perceptions and experiences of servant leadership elicited in tape-recorded interviews with 75 nursing leaders currently practicing in the contemporary healthcare system. **Going the Extra Mile** Richard Keeler, 2011 **Going The Extra Mile** Judith Williamson, 2022-10-25 If I had to choose but one of the seventeen principles of success and rest my chances on that principle alone I would without hesitation choose going the extra mile because this is the principle through which one can make himself indispensable to others. This declaration alone should direct your attention to Judith Williamson's book *Going The Extra Mile: The Do It Now Principle* designed to put you on the road to success. You will gain a detailed understanding as to why developing the habit of consistently going the extra mile GEM promises to deliver more than you have actually contributed. The ideas in this book will make a huge difference in your life. 1 As you contribute more than is expected others take notice. 2 You will stand apart from the rest. That's not my job type of employee. 3 You will gather higher levels of tangible and intangible compensation into your life. 4 You will develop your skill set at an exponential speed and volume from your competition. Former Napoleon Hill Foundation executive and expert Judith Williamson details how to put this principle to work in various arenas of your life. Learn Why the Do It Now principle can make an instant difference in your results. The three essential elements of GEM: Quality of service, quantity of service, and positive mental attitude. How the discovery of your mission contributes to GEM. Why it's essential to see the inherent value in work to GEM. How developing the habit of gratitude is both a cause and a result of GEM. And much more. **VALUE OF GOING THE EXTRA MILE** KOFI SONOKPON., **Going the Extra Mile: Success Unlimited** Napoleon Hill, 2016-10-03 Napoleon Hill put great emphasis in his writings and lectures on the principle of going the extra mile. Hill said this was the one principle that would get a person ahead faster than anything else one could do. In this speech *Going the Extra Mile* Hill explains that nature's law of increasing returns means that the service we render with the right mental attitude not only brings back its true value but is multiplied many times over. *'Going the Extra Mile'* Anne Guinea, 2009 *Going the Extra Mile* Elyse Hargreaves, Michelle Casey, Jerrilynn Rebeyka, 2016-12-18 Review *Going the Extra Mile* portrays real life stories that push human potential to new heights.
