*Triple Fit Strategy* Christoph Senn, Mehak Gandhi, 2024-11-19 It's time for companies to rethink their growth logic Business relationships are still dominated by a narrow perspective trying to match products to customer needs and making deals It's a buyer seller relationship built on a transactional mindset and it's not how you should be doing business There's a better way orchestrating growth in which suppliers and customers collaborate to build strategies and grow together With clarity and precision Christoph Senn and Mehak Gandhi lay out the Triple Fit Strategy framework which will help you escape the product centric mindset and put customers at the heart of your business strategy Based on a hands on tool set Triple Fit ensures that customer and supplier are aligned across three areas planning execution and resources The Triple Fit canvas a

diagnostic and action framework provides a systematic approach that every account manager and sales team can use to boost business results. Companies who use it can contribute ten times more to their customers success and can double account values in less than three years. What's more the Triple Fit Strategy helps sales and business leaders better understand the health of their customer relationships and allocate resources for faster breakthroughs. It's a proven approach that Senn and Gandhi have implemented with hundreds of companies over twenty five years and validated with data from more than ten thousand cases. Triple Fit Strategy is a breakthrough approach to strategy and sales with the power to transform businesses. Your journey to becoming a value creator starts here.
