G John Berger:

G. John Berger John Berger, 2012-01-01 The 40th anniversary edition of this classic Booker Prize winning novel

G. John Berger, 1992-01-08 In this luminous novel winner of Britain's prestigious Booker Prize John Berger relates the story of G a young man forging an energetic sexual career in Europe during the early years of this century With profound compassion Berger explores the hearts and minds of both men and women and what happens during sex to reveal the conditions of the Don Juan's success his essential loneliness the quiet cumulation in each of his sexual experiences of all of those that precede it the tenderness that infuses even the briefest of his encounters and the way women experience their own extraordinariness through their moments with him All of this Berger sets against the turbulent backdrop of Garibaldi and the failed revolution of Milanese workers in 1898 the Boer War and the first flight across the Alps making G a brilliant novel about the search for intimacy in history's private moments

About Looking John Berger, 1992-01-08 As a novelist art critic and cultural historian Booker Prize winning author John Berger is a writer of dazzling eloquence and arresting insight whose work amounts to a subtle powerful critique of the canons of our civilization In About Looking he explores our role as observers to reveal new layers of meaning in what we see How do the animals we look at in zoos remind us of a relationship between man and beast all but lost in the twentieth century What is it about looking at war photographs that doubles their already potent violence How do the nudes of Rodin betray the threats to his authority and potency posed by clay and flesh And how does solitude inform the art of Giacometti In asking these and other questions Berger quietly but fundamentally alters the vision of anyone who reads his work

The Sense of Sight John Berger, 1993-11-30 With this provocative and infinitely moving collection of essays a preeminent critic of our time responds to the profound questions posed by the visual world For when Booker Prize winning author John Berger writes about Cubism he writes not only of Braque L ger Picasso and Gris but of that incredible moment early in this century when the world converged around a marvelous sense of promise When he looks at the Modigliani he sees a man's infinite love revealed in the elongated lines of the painted figure Ranging from the Renaissance to the conflagration of Hiroshima from the Bosphorus to Manhattan from the woodcarvers of a French village to Goya D rer and Van Gogh and from private experiences of love and of loss to the major political upheavals of our time The Sense of Sight encourages us to see with the same breadth courage and moral engagement that its author does

G. John Berger, 2014-07-10 A reissued edition of this classic Booker Prize winning novel

The Shape of a Pocket John Berger, 2009-09-09 From Booker Prize winning author John Berger a collection of essays that explores the relationship of art and artists and includes examinations of the work of Brancusi Degas Michelangelo and Frida Kahlo among others The pocket in question is a small pocket of resistance A pocket is formed when two or more people come together in agreement The resistance is against the inhumanity of the New World Economic Order The people coming together are the reader me and those the essays are about Rembrandt Paleolithic cave painters a Romanian peasant ancient Egyptians an expert in the

loneliness of a certain hotel bedroom dogs at dusk a man in a radio station And unexpectedly our exchanges strengthen each of us in our conviction that what is happening in the world today is wrong and that what is often said about it is a lie I've never written a book with a greater sense of urgency John Berger *Selected Essays of John Berger* John Berger, 2008-12-10

The writing career of Booker Prize winner John Berger poet storyteller playwright and essayist has yielded some of the most original and compelling examinations of art and life of the past half century In this essential volume Geoff Dyer has brought together a rich selection of many of Berger's seminal essays Berger's insights make it impossible to look at a painting watch a film or even visit a zoo in quite the same way again The vast range of subjects he addresses the lean beauty of his prose and the keenness of his anger against injustice move us to view the world with a new lens of awareness Whether he is discussing the singleminded intensity of Picasso's Guernica the parallel violence and alienation in the art of Francis Bacon and Walt Disney or the enigmatic silence of his own mother what binds these pieces throughout is the depth and fury of Berger's passion challenging us to participate to protest and above all to see *History of Huntingdon and Blair counties, Pennsylvania* A.J. Simpson, 1883

And Our Faces, My Heart, Brief as Photos John Berger, 1992-01-08 Booker Prize winning author John Berger reveals the ties between love and absence the ways poetry endows language with the assurance of prayer and the tensions between the forward movement of sexuality and the steady backward tug of time He recreates the mysterious forces at work in a Rembrandt painting transcribes the sensorial experience of viewing lilacs at dusk and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today **And Our Faces My Heart Brief as Photos** is a seamless fusion of the political and personal *Another Way of Telling* John Berger, 1995-03-07

There are no photographs which can be denied All photographs have the status of fact What is to be examined is in what way photography can and cannot give meaning to facts With these words two of our most thoughtful and eloquent interrogators of the visual offer a singular meditation on the ambiguities of what is seemingly our straightforward art form As constructed by John Berger and the renowned Swiss photographer Jean Mohr that theory includes images as well as words not only analysis but anecdote and memoir *Another Way of Telling* explores the tension between the photographer and the photographed between the picture and its viewers between the filmed moment and the memories that it so resembles Combining the moral vision of the critic and the practical engagement of the photographer Berger and Mohr have produced a work that expands the frontiers of criticism first charged by Walter Benjamin Roland Barthes and Susan Sontag [Native Informant](#) Leo Braudy, 1991 *Native Informant* is Leo Braudy's first book after his widely acclaimed and award winning history of fame *The Frenzy of Renown* With a verve that breaks down the boundaries between film literature and popular culture Braudy discusses writers and filmmakers such as Alfred Hitchcock Daniel Defoe Ernst Lubitsch Emile Zola Susan Sontag and Richard Condon His subjects include madness in the eighteenth century the Hollywood blacklist westerns and pornography Throughout this lively and insightful collection his perspective is not that of the critic as a detached voice of professional

authority but as a member of a particular culture a native informant whose gaze looks simultaneously inward and outward subjective but self aware Like the wide ranging Frenzy of Renown Native Informant will appeal to specialist and interested reader alike

Keeping a Rendezvous John Berger,1992-10-27 When he stands before Giorgione s La Tempesta Booker Prize winning author John Berger sees not only the painting but our whole notion of time sweeping us away from a lost Eden A photograph of a gravely joyful crowd gathered on a Prague street in November 1989 provokes reflection on the meaning of democracy and the reunion of a people with long banished hopes and dreams With the luminous essays in Keeping a Rendezvous we are given to see the world as Berger sees it to explore themes suggested by the work of Jackson Pollock or J

M W Turner to contemplate the wonder of Paris Rendezvous are manifold between critic and art artist and subject subject and the unknown But most significant are the rendezvous between author and reader as we discover our perceptions informed by Berger s eloquence and courageous moral imagination **A Writer of Our Time** Joshua Sperling,2018-11-20

John Berger was one of the most influential thinkers and writers of postwar Europe As a novelist he won the Booker Prize in 1972 donating half his prize money to the Black Panthers as a TV presenter he changed the way we looked at art in *Ways of Seeing* as a storyteller and political activist he defended the rights and dignity of workers migrants and the oppressed around the world In 1953 he wrote *Far from dragging politics into art art has dragged me into politics* He remained a revolutionary up to his death in January 2017 In *A Writer of Our Time* Joshua Sperling places Berger s life and works within the historical narrative of postwar Britain and beyond The book also explores through the work the larger questions that vexed a generation the purpose of art the nature of creative freedom the meaning of commitment Drawing on extensive interviews close readings and a wealth of archival sources only recently made available the book brings the many different faces of John Berger together and shows him as one of the most vital and brilliant thinkers and storytellers of our time *Once in Europa* John Berger,2011-07-13

A luminous collection of interwoven stories *Once in Europa* is a portrait of two worlds a small Alpine village bound to the earth and by tradition and the restless future driven culture that will invade it at their moment of collision The instrument of entrapment is love the passion of a willful shepherd for a shrewd bourgeois housewife of a vital young woman for a dashing Russian who has come to work in the local factory of a steadfast son for his aged mother Lives are lost and hearts are broken and always love is a transcending form of grace In *Once in Europa* it speaks as plainly and as movingly as a remembered language creating a work of astonishing tenderness **King** John Berger,2012-11-07

In this book you will be led to a place you haven t been from where few stories come You will be led by King a dog or is he a dog to a wasteland beside the highway called Saint Val ry Here at the end of the twentieth century among smashed trucks old boilers and broken washing machines live Liberto Malak Jack Corinna Danny Anna Joachim Saul Alfonso and Vico and Vica Listen to King s voice as he tells a different kind of story twenty four hours pass and lives are lived It is good to have survived another winter for now it is spring when the nights though cold are no longer harsh enough to kill The wet season is over and with it the hopelessness of damp Today the sun will shine of what else will the day be made King is at once a furious homage to the homeless and a lyrical meditation on language and experience The bitter yet celebratory prose speaks to us all *Here Is Where We Meet* John Berger,2006-08-08

Booker Prize winning author John Berger one of the most widely admired writers of our time returns us to the captivating play and narrative allure of his previous novels *G and Pig Earth* among them with a shimmering fiction drawn from chapters of his own life One hot afternoon in Lisbon the narrator finds his long dead mother seated on a park bench The dead don t stay where they are buried she tells him And so begins a remarkable odyssey told in simple yet gorgeous prose that carries us from the London Blitz in 1943 to a Polish market to a Paleolithic cave to the Ritz

Hotel in Madrid Here Is Where We Meet is a unique literary journey that moves freely through time and space but never loses its foothold in the sensuous present
