Today, technology's effects on the Gillette Fusion razor have made a radical shift possible: you can shave without shaving. There is just one catch: the technology has just to be commercialized. As commercializing anything isn't always easy, we suggest that you have three alternative goals:

1. Commercializing an technology as convenient as possible even when this may still require us pay the technological advances in this category as much as development of the Gillette Fusion razor itself, without any the risks or potential difficulty of a failed project.

## Three Goals

- 1. Develop a razor I would love to use.
- 2. Commercialize many things as well as possible.
- 3. Create the most advanced razor that is available.
