

Macbeth Study Guide—Act 1

Answers (I, i-vii)

Question 1

1) Explain the first scene in this opening act. (What is the setting? What is the mood? What is the main idea?)

- Characters: witches, soldiers, ordinary people, king
- Setting: a forest where the natural world is the usual home to both supernatural and ordinary folk. They walk along the battlefield.
- The scene, however, could be taking place in a dreamworld that exists along with the real world of the other acts.
- Witches, with their strange music—Macbeth: "Something wicked this way comes." "This had I rather believe" —The three witches would like Macbeth to be recognizing the natural world's supernatural as well as the human world of their everyday lives.
- "What if you should know yourselves? Would you play upon the senses that should work? On the senseless that they should? What if you should know what you should know? What if you should know what you should know?" "What if you should know what you should know?" "What if you should know what you should know?" "What if you should know what you should know?"
- All three witches' suggestions prove the darkness is always there. The witches' song is the only one that is not a suggestion.
- "What if you should know what you should know?"
- "What if you should know what you should know?"

2) What is the main idea of this scene? (What is the main idea? What is the main idea?)

- "What if you should know what you should know?"
