Several jurists and theorists have attempted to define the term "law". They have propounded their theories According to Natural Law theory,

"Law is the dictates of Reason". It consists of principles of right and wrong, just and unjust, moral and immoral. These principles can be discovered by the 'Reason of mankind. It is also known as "Divine law" being the order of God imposed upon men. It is the God made law. According to Thomas Aquinas, "Law is the command of higher God".

According to the Imperative theory of law propounded by Austin (Definition given by Austin), "Law is the command issued by the sovereign power".
