Dear Memorizer,

In this special letter, I'm about to give you 8 proven and tested strategies you can use to memorize and recall information better and faster in addition to what you've learned from the Magnetic Memory Method books and courses.

The majority of these strategies are quick, easy and fun ... but to be perfectly honest, others will take a little bit more of your time and attention (though not necessarily hard effort). They're based on both the universally applicable structures of mnemonics and the Magnetic Memory Method principles of building well-structured Memory Palaces in combination with effective associative-imagery to memorize your target information. If you're unfamiliar with mnemonics, you haven't read one of the Magnetic Memory Method books, taken a Magnetic Memory Method course or seen any of the YouTube videos, then
