In order for learners to improve English proficiency it is essential for them to learn and practice a wide variety of sentence structures. Doing so will help them express themselves more accurately and effectively. In this set of 15 worksheets we have compiled 150 common sentence patterns that learners can use in various contexts from everyday conversations to writing essays or reports. These patterns will enable them to convey their ideas, opinions, and feelings with more precision and clarity and to better understand what others are saying. By studying and mastering these patterns, learners will become more confident and proficient communicators in English. Each lesson consists of one exercise that introduces a set of ten sentence patterns with descriptions, two exercises reinforcing understanding of the sentence patterns, one exercise where students have to come up with their own sentences showing they understand how to use the sentence patterns. With *Essential English Sentence Patterns Volume 1* you will get three documents, 15 x 3 page worksheets, an answer key for all 15 worksheets, and an index of all 150 sentence patterns with descriptions and example sentences for each.
