Metonymy and Language Charles Denroche, 2014-12-05 Metonymy and Language presents a new theory of language and communication in which the central focus is on the concept of metonymy the recognition of partial matches and overlaps Through the use of original data sets and rigorous primary research Denroche characterizes metonymy as key to understanding why language is so fit for purpose and how it achieves such great subtlety and flexibility This study develops the notion of metonymic competence and demonstrates that metonymic behavior is often pursued for its own sake in recreational activities such as quizzes puzzles and play and shows the possible impact of the application of metonymic processing theory to professional fields such as language teaching and translator training Furthermore it proposes a research approach with metonymy at its center metonymics which Denroche suggests could provide a powerful framework for addressing issues in numerous fields of practice in the arts and sciences

What Writing Does and How It Does It Charles Bazerman, Paul Prior, 2003-12-08 In *What Writing Does and How It Does It* editors Charles Bazerman and Paul Prior offer a sophisticated introduction to methods for understanding studying and analyzing texts and writing practices This

volume addresses a variety of approaches to analyzing texts and considers the processes of writing exploring textual practices and their contexts and examining what texts do and how texts mean rather than what they mean Included are traditional modes of analysis rhetorical literary linguistic as well as newer modes such as text and talk genre and activity analysis and intertextual analysis The chapters have been developed to provide answers to a specified set of questions with each one offering a preview of the chapter s content and purpose an introduction to basic concepts referring to key theoretical and research studies in the area details on the types of data and questions for which the analysis is best used examples from a wide ranging group of texts including educational materials student writing published literature and online and electronic media one or more applied analyses with a clear statement of procedures for analysis and illustrations of a particular sample of data and a brief summary suggestions for additional readings and a set of activities The side by side comparison of methods allows the reader to see the multi dimensionality of writing facilitating selection of the best method for a particular research question The volume contributors are experts from linguistics communication studies rhetoric literary analysis document design sociolinguistics education ethnography and cultural psychology and each utilizes a specific mode of text analysis With its broad range of methodological examples What Writing Does and How It Does It is a unique and invaluable resource for advanced undergraduate and graduate students and for researchers in education composition ESL and applied linguistics communication L1 and L2 learning print media and electronic media It will also be useful in all social sciences and humanities that place importance on texts and textual practices such as English writing and rhetoric

Explaining Communication Bryan B. Whaley, Wendy Samter, 2013-03-07 Offering a direct sightline into communication theory Explaining Communication provides in depth discussions of communication theories by some of the foremost scholars working in communication today With contributions from the original theorists and scholars known for their work in specific theoretical perspectives this distinctive text breaks new ground in giving these scholars the opportunity to address students firsthand speaking directly to the coming generations of communication scholars Covering a wide range of interpersonal communication theories the scope of this exceptional volume includes the nature of theory and fundamental concepts in interpersonal communication theories accounting for individual differences in message production explanations of human communication from dyadic relational and or cultural levels and a history of communication theory Chapter authors offer their own views of the core ideas and findings of specific theoretical perspectives discussing the phenomena those perspectives are best positioned to explain how the theories fit into the field and where future research efforts are best placed While by no means comprehensive Explaining Communication includes those theories that rank among those most often used in today s work that have generated a substantial body of knowledge over time and that have not been articulated in detail in other publications With detailed explorations and first hand discussions of major communication theories this volume is essential for students in communication studies interpersonal communication and advanced theory courses as well

as for scholars needing a thorough reference to some of the most salient theories in communication today The Representation of Gender-Specific Conversational Behaviour in Informal Talk Juliane Behm, 2010-03 Examination Thesis from the year 2009 in the subject English Language and Literature Studies Linguistics grade 1.0 University of Rostock Institut für Anglistik Amerikanistik language English abstract Die vorliegende Examensarbeit setzt sich mit den feministischen linguistischen Ansätzen zur Erklärung von typisch männlichen und weiblichen Gesprächsverhalten auseinander. Dazu wird zunächst auf die sprachwissenschaftlichen Disziplinen der Pragmatik und der Interaktionalen Soziolinguistik, die als theoretische Ansätze die Grundlage für die Analyse bilden, eingegangen und anschließend die verschiedenen feministischen Theorien Deficit Approach, Dominance Approach, Difference Approach, Doing Gender kritisch beleuchtet. Nachdem ausgewählte Merkmale geschlechtsspezifischen Sprachgebrauchs und Gesprächsverhaltens vorgestellt werden, erfolgt eine pragmatische Analyse der vier Charaktere aus *Sex and the City*, um darzustellen, wie die weiblichen Figuren durch ihre Sprache charakterisiert und dem Zuschauer mehr oder weniger typisch weiblich präsentiert werden. Dabei soll gezeigt werden, wie die Serie mit Geschlechtsstereotypen spielt. Hauptaugenmerk der Arbeit ist jedoch die Kritik an der feministischen Linguistik, indem aufgezeigt werden soll, dass Frauen entgegen der feministischen Meinung nicht gleichermaßen dazu neigen, in einem typisch weiblichen Konversationsstil zu kommunizieren; sie jedoch vielmehr beide Formen geschlechtsspezifischen Sprachverhaltens anwenden können, nämlich typisch männliches als auch weibliches, je nach sozialem Kontext und Situation, in der sie sich befinden.

Good to Talk? Deborah Cameron, 2000-05-15 It's good to talk is one of the great clichés of our time. The benefits of talk to individuals, families and organizations are proclaimed by pop psychologists, television talk show hosts and management gurus. The importance of talk is talked about endlessly. Good to Talk is an attempt to look critically at what lies behind this upsurge of concern about talk in our workplaces, classrooms and private lives, and it places these developments in historical context and relates their forms to the broader economic and social changes associated with globalization. The book also poses questions about the social and political implications of talking about talking. Is communication the key to solving the

Creativity in English as a Lingua Franca Marie-Luise Pitzl, 2018-07-09 This book investigates formal characteristics and discourse functions of linguistic creativity at the level of idioms in spoken ELF as represented in the Vienna Oxford International Corpus of English VOICE. Building on the findings of previous ELF research, the book proposes that creativity might serve as a fundamental concept in accounting for the variation that seems to be central to describing and understanding English as a lingua franca.

Media Discourse Mary Talbot, 2007 A lively and accessible study of media and discourse.

On Discourse Analysis in Classrooms David Bloome, 2008-09-28 This book in the NCRL Collection provides an introductory discussion of discourse analysis of language and literacy events in classrooms. The authors introduce approaches to discourse analysis in a way that redefines traditional topics and provokes the imagination of researchers. For those who have limited knowledge of discourse analysis, this book will help generate new questions about literacy events in

classrooms For those familiar with this research perspective it will map diverse new approaches English as a Lingua Franca: Attitude and Identity Jennifer Jenkins,2007-07-26 Based on research conducted among teachers this text examines the role of standard language ideology in ELF attitude formation critiques current SLA theories and ELT practices highlights links between ELF accent attitudes and ELF identities and includes proposals for making ELT pedagogy and testing more relevant
