**The Student's Guide to Financial Literacy** Robert E. Lawless,2010-03-11 Presenting a broad array of financial knowledge this interesting easily understandable book will aid students and young adults in achieving their desired levels of wealth success and overall financial and personal fulfillment

The recent global financial crisis was caused at least in part by the financial ignorance of many consumers. Many students and young adults in particular have never been taught the basics of financial planning. Yet the earlier people move from financial illiteracy to literacy, the greater the benefits that will accumulate over time. As *The Student's Guide to Financial Literacy* makes clear, practices adopted in the early years of adulthood can have the most dramatic effect on a person's ultimate quality of life, level of success, and age of retirement. This book is designed to convey financial wisdom in terms that are easy to understand, with suggestions that are easy to apply. Readers will learn about the importance of budgeting and saving, the compounding of money, and how to create a diversified portfolio of investments. Included is advice on buying a first home, the characteristics of good debt versus bad debt, insurance, and tax planning, even choosing the right career.

**Understanding Personal Finance and Investments in Namibia** Martin Mwinga, 2004      **The Complete Idiot's Guide to Personal Finance in Your 20s & 30s, 4E** Sarah Fisher, Susan Shelly, 2009-06-02.
