Hooked:

Hooked Emily McIntire, 2022-09-20 Once upon a time there was a little boy His belly full of laughter his life full of joy Until one day something changed stripped his innocence away The hole inside making space for the devil to come and play His dreams gone forever he grew up way too fast An endless night of crocodiles and watches made of glass He grew into a villain the taste of vengeance on his tongue Craving to make his enemies pay for the misdeeds they had done Instead he found a Darling girl and refused to let her go For what better way to make the man pay than to steal his little shadow

Hooked Pauline Kael, 1989 Pauline Kael's works have evoked either adoration or strong criticism But few readers of the New Yorker for which she serves as movie critic react to Kael with indifference Critics should consistently provoke opinion and Kael does so without fail as shown in this collection of her New Yorker reviews Over the years Kael has lost none of her bite she is still brimming with opinions but opinions fully supported not simply thrown out to see how far their ripple will travel ISBN 0 525 24705 X 24 95

Hooked Rita Felski, 2020-11-20 How does a novel entice or enlist us How does a song surprise or seduce us Why do we bristle when a friend belittles a book we love or fall into a funk when a favored TV series comes to an end What characterizes the aesthetic experiences of feeling captivated by works of art In *Hooked* Rita Felski challenges the ethos of critical aloofness that is a part of modern intellectuals self image The result is sure to be as widely read as Felski's book *The Limits of Critique* Wrestling the language of affinity away from accusations of sticky sentiment and manipulative marketing Felski argues that being hooked is as fundamental to the appreciation of high art as to the enjoyment of popular culture *Hooked* zeroes in on three attachment devices that connect audiences to works of art identification attunement and interpretation Drawing on examples from literature film music and painting from Joni Mitchell to Matisse from Thomas Bernhard to Thelma and Louise Felski brings the language of attachment into the academy *Hooked* returns us to the fundamentals of aesthetic experience showing that the social meanings of artworks are generated not just by critics but also by the responses of captivated audiences

Hooked John Franc,2011-08-22 A fast paced and fascinating look into the male mind and sexual obsession Hooked portrays the attempt to mask the self while needlessly committing acts of reckless exposure both literal and figurative Read it if you must but don t tell anybody about it In the tradition of Vladimir Nabokov and Henry Miller John Franc s masterful novel explores sexual obsession as a group of male friends delve further and further into the world of brothels under the gleaming surface of their cosmopolitan city Told through an anonymous collective point of view the narrative names no character or location implying that these men speak for all men All seems well in this world where men sneak off to betray their wives and children visiting brothel after brothel But while toasting themselves and their moxie evaluating the quality of their liaisons and the caliber of their bought lovers one man in the group becomes wracked by a guilt that threatens to undo them all A fast paced and fascinating look into the male mind and sexual obsession Hooked portrays the attempt to mask the self while needlessly committing acts of reckless exposure both literal and figurative Read it if you must but don t tell anyone

Hooked Rugs Cynthia Fowler,2017-07-05 Through a close look at the history of the modernist hooked rug this book raises important questions about the broader history of American modernism in the first half of the twentieth century Although hooked rugs are not generally associated with the avant garde this study demonstrates that they were a significant part of the artistic production of many artists engaged in modernist experimentation Cynthia Fowler discusses the efforts of Ralph Pearson and of Zoltan and Rosa Hecht to establish modernist hooked rug industries in the 1920s uncovering a previously undocumented history The book includes a consideration of the rural workers used to create the modernist narrative of the hooked rug as cottage industries were established throughout the rural Northeast and South to serve the ever increasing demand for hooked rugs by urban consumers Fowler closely examines institutional enterprises that highlighted and engaged the modernist hooked rugs such as key exhibitions at the Museum of Modern Art and the Metropolitan Museum of Art in the 1930s and 40s This study reveals the fluidity of boundaries among art craft and design and the profound efforts of a devoted group of modernists to introduce the general public to the value of modern art
