Banks,2020-06-19 Corporate Legal Compliance Handbook Third Edition provides the knowledge necessary to implement or
enhance a compliance program in a specific company or in a client s company The book focuses not only on doing what is
legal or what is right the two are both important but not always the same but also on how to make a compliance program
actually work The book is organized in a sequence that follows how to approach a compliance program It gives the
compliance officer consultant or attorney a good grounding in the basics of compliance law This includes such things as the
rules about corporate and individual liability an understanding of the basics of the key laws that impact companies and the
workings of the U S Sentencing Guidelines Successful programs also require an understanding of educational techniques
good communication skills and the use of computer tools The effective compliance program also takes into account how to
