*Beginner Guitar* Christian J. Triola, 2018-07-23 There's something irresistible about guitar It's music and art Modern and classic Beautiful and rugged It's time alone and time with friends It's timeless It's for everyone It's a whole lot of fun And now it's easier to learn than ever before Learn at your own pace You open the book flip past the section about the various types of guitars and equipment You're on a mission You're thinking of that guitar you've had sitting in the corner The one you promised yourself you'd learn how to play You pick it up turn to the section on tuning and before long you're ready to go Next you follow the tabbed pages to the section on chords In minutes you've learned how to read rhythm slashes and you're successfully strumming a couple of chords On a high you flip to the section on note reading Minutes later you can play three

notes on the first string and for the first time ever you're reading the notes on a staff and keeping time. This is fun! You flip to the tablature section. Woah, this looks different, but you read through the brief instructions and once again you find you can do it. Now you're playing notes on multiple strings and wait, did I just play a song? Why didn't I start playing years ago, you ask yourself? That's because you never had *Beginner Guitar*, the newest book in The Missing Method for Guitar family. It's everything you need to get started. *Beginner Guitar* is not just another method book; it's a guide to entering the world of guitar for yourself. Each section allows you to move step by step through everything you'll need to become a confident player. Explore the basics of the instrument, including different types of guitars and equipment. Learn to play chords, including power chords and progressions. Discover how much fun it can be to use tablature, read notes, or play by ear. Practice fingerpicking techniques. Try out various playing styles: country, rock, folk, jazz, blues, and classical. Learn how to care for your instrument and change strings. And much more. You choose where to place your focus and when. We'll provide the instruction photos and diagrams to make it easy. Experience you can trust. The Missing Method for Guitar is dedicated to creating high-quality instructional materials that inspire and empower all levels of guitar player, from absolute beginners to professional guitarists.

Learn to hold and strum the guitar, play in time, change chords, finger pick, plus much more. There are many common mistakes that beginner guitarists make that limit musical development over a lifetime. *Beginner's Guitar: The Complete Guide* forms a foundation of effortless good technique and skills that will last a lifetime. Often self-taught learners will hit a wall later on due to bad techniques picked up early on. As a guitar teacher, time and time again I see adult guitarists who have come to a road block in their playing. It may be speed, changing chords, rhythm, or many other obstacles that were created when they first started learning. Most often the student doesn't even know what the problem is or why it's occurring. By learning the correct skills early on, you will avoid many common challenges later in your development. *Beginner's Guitar Lessons: The Essential Guide* contains many clear diagrams, downloadable audio of each example, 50 separate audio tracks, complete method to learn chords and smoothly change between them, the correct way to strum in time, finger picking examples, modern fun chord progressions to practice, how to read chord charts and guitar tablature, tab complete chapter listing, the important things you should know, first chords and changes, holding the plectrum, pick more common chord changes, strumming part one, changing chords whilst strumming, new chord progressions to practice, more
