Inconvenient Truths About Migration Asia Times:

Development, Neoliberalism, and Islamism in South Asia Mustahid M. Husain, 2022-07-21 This monograph analyzes development through an examination of those class relations and how they are situated vis vis the politics of development and economic globalization in Bangladesh and how they shape aid delivery mechanisms and aid recipients choices in participating in such program One of the main findings is that development in Bangladesh relies on dual hegemony which he articulates as an alliance between the new Bangladeshi political and economic elite and the Western international aid development industry He argues that dual hegemony functions in such a way that it erodes the Bangladeshi middle class and reinforces class and caste differences through the privatization of the public sector and greater fragmentation of civil society This book is of interest to scholars of political Islam international politics and security studies including terrorism and the politics of South Asia

The Palm Oil Controversy in Southeast Asia Oliver Pye, Jayati Bhattacharya, 2013 This book is a compilation of papers first presented at the workshop The palm oil controversy in transnational perspective that took place in Singapore 24 March 2009 The workshop was jointly organized by the Institute of Oriental and Asian Studies Rheinische Friedrich Wilhelms Universit at Bonn and the Institute of Southeast Asian Studies ISEAS Singapore It was funded by Asia Europe Foundation ASEF

Women, Political Struggles and Gender Equality in South Asia M. Alston, 2014-08-07 A brutal gang rape of a young woman in India in 2012 caused a global outcry against rising brutal violence against women In response to the young woman s death and the protests that followed the contributors analyze the position of women in South Asia the issue of violence women s political activism and gender inequalities

Foundations of Biogeography Mark V. Lomolino, Dov F. Sax, James H. Brown, 2004-07 Foundations of Biogeography provides facsimile reprints of seventy two works that have proven fundamental to the development of the field From classics by Georges Louis LeClerc Comte de Buffon Alexander von Humboldt and Charles Darwin to equally seminal contributions by Ernst Mayr Robert MacArthur and E O Wilson these papers and book excerpts not only reveal biogeography s historical roots but also trace its theoretical and empirical development Selected and introduced by leading biogeographers the articles cover a wide variety of taxonomic groups habitat types and geographic regions Foundations of Biogeography will be an ideal introduction to the field for beginning students and an essential reference for established scholars of biogeography ecology and evolution

Gorrie,2013-05-08 A controversial look at the impending Chinese economic collapse the history behind it its contemporary causes and its dire implications for the global economy All the experts agree the 21st century belongs to China Given America s looming insolvency and the possibility of the collapse of the U S dollar who can doubt that China is poised to take over the role of economic superpower Written by political economist and leading financial journalist James Gorrie this book offers a highly controversial contrarian view of contemporary China Drawing upon a wealth of historical and up to the minute data Gorrie makes a strong case that China itself is on the verge of an economic crisis of epic proportions He explains how caught in a recurrent boom bust cycle that has played itself out several times over the past sixty years China is again approaching total economic and social collapse But with one important difference this time they may very well take the entire global economy down with them Explores the Chinese communist party s unfortunate history of making costly and very bloody mistakes on an enormous scale One by one Gorrie analyzes those critical mistakes and explains how they may lead to economic collapse in China and global depression Describes Chinese cannibal capitalism and where its massive abuse of the country s environment people and arable lands is leading that country and the world economy Chronicles China s history of recurring economic crisis and explains why all the evidence suggests that history is about to repeat itself [Migration Facts and Figures](#) ,1956 **Climate Change Governance and Adaptation** Anamika Barua,Vishal Narain,Sumit Vij,2018-08-29 Climate change adaptation in South Asia is redefining the roles of different actors in the governance processes The existing governance lack capacity knowledge and leadership skills to manage the uncertainties and challenges posed by climate change This book aims to explain how the governance of climate change adaptation and mitigation is being shaped in the region and how climate change is impacting upon the governance of natural resources Although the focus is on South Asia the editors draw a wide range of contributions from northern and southern communities and across various agro ecological contexts Climate Change Governance and Adaptation Case Studies from South Asia sees the changing climate not only as an

environmental problem but as a societal challenge and discusses the governance challenges from an interdisciplinary social science perspective across different levels local state and national Discusses also the challenges and opportunities for increasing the resilience of the society through effective governance around climate change A top down approach to govern climate change adaptation may not yield desired outcomes instead the book emphasizes the need to integrate issues of equity into climate governance and policies The lessons learned from different cases across South Asia help readers have a better and deeper understanding of the relationships between governance and climate change Given the diversity of themes covered this book will appeal not only to researchers and practitioners in the climate change community but also to those with a broader interest in governance processes
