Kaiser, Jr., 2003-03-01 Viewed as antiquated and remote the Old Testament is frequently neglected in the preaching and teaching ministry of the church But contrary to the prevailing attitude might the Old Testament contain relevant and meaningful application for today Renowned author and scholar Walter Kaiser shows why the Old Testament deserves equal attention with the New Testament and offers a helpful guide on how preachers and teachers can give it the full attention it deserves Growing out of his teaching material from the last decade Preaching and Teaching from the Old Testament demonstrates Kaiser's celebrated straightforward exposition Offering an apologetic for the Christian use of the Old Testament the opening chapters deal with the value problem and task of preaching from it Following a discussion of the role of expository preaching Kaiser provides a practical focus by examining preaching and teaching from the texts of various genres A final chapter explores the relevance of the Old Testament in speaking to a contemporary audience Bible teachers pastors seminary students and professors will appreciate Kaiser's practical focus and relevant applications Additional helps include a glossary and suggested outlines and worksheets for expository preaching [Preaching from the Old Testament](#) Elizabeth Rice Achtemeier, 1989-01-01 This book provides theological insights as well as practical sermon suggestions for preachers and seminary students It treats the reader to a thorough examination of how to approach and interpret any portion of the Old Testament *Wondrous Depth* Ellen F. Kaiser, Jr., 2007-07-01 This new book by a trusted Old Testament scholar directs the student and pastor to an aspect of biblical truth often lacking in contemporary preaching and teaching God's unsurpassed majesty and greatness Kaiser suggests that a key way to recapture this important doctrine in the pulpit is through the preaching of the Old Testament itself an oft neglected or mishandled discipline By expositing ten great Old Testament passages that are rife with evidence of God's majesty he shows how today's preacher might address this deficiency He also shows how such exercises as word studies and historical archaeological studies can be used to help pastors make the Old Testament relevant to their congregations
