Primer Photography Manual:

Basic Photography Michael Langford,1977 *Basic Photography* is an international bestseller with a long established reputation as the introductory textbook for photography Initially published over thirty years ago the book has been re written revised regularly translated into four foreign language editions It remains a classic reference source for students newcomers to photography of all ages *The Photographic Primer* J. C. Worthington,Jesse C. Millen,1896 *The Photographic Primer* J. C. Worthington,Jesse C. Millen,1897 *The Photographic Primer* J. C. Worthington,2015-08-05 Excerpt from *The Photographic Primer A Manual of Practice* This little manual which now seeks audience is not the mouthpiece of a manufacturer neither have the authors a private axe to grind It is written to give a clear simple definition of photographic practice in its primary form as the uninitiated must approach it The Primer can lay no claim on the professional operator and goes no further in the path of photographic work than the production of a perfect picture by the simplest processes For those who wish to experiment with the endless procession of new plates new papers and new methods there is abundant help ready to hand in the photographic literature of the past ten years but to one who knows nothing of the art who has never looked into the mysterious simplicity of a camera box and to whom a lens is but a bit of glass the Primer may appeal with confidence The authors have sought to give the cardinal points in photographic work in epitomic form and in this respect the manual may be found not only a guide to the beginner but a reference book of constant use to the more advanced student About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Basic Photography, a Primer for Professionals.
