Learn to Sign and communicate with the Deaf community

The Wits Language School programme is designed to meet the needs of participants who wish to learn South African Sign Language (SASL). SASL is a visual language which is unlike spoken languages. We provide a dynamic, fun learning environment in which to improve your skills, with experienced and competent Deaf trainers.

SASL is used by approximately 2 million deaf, hard-of-hearing and hearing South Africans. It is a unique and real language recognised as a first language by many members of the Deaf community in South Africa. Learning SASL will expose you to a new cultural and linguistic community, whilst at the same time helping you realise the importance of being able to communicate with and understand Deaf people – whether an employee, a client, a friend or a family member. More and more hearing South Africans are learning SASL to improve relationships between hearing and Deaf people.

If you have some knowledge of the language already, you will be interviewed by one of our language teachers in order to determine your level of proficiency.

Certification and Assessment

Certificates of Attendance are issued at the end of Module A courses. 75% attendance is required. You are not required to do any tests if your aim is to obtain a Certificate of Attendance and not a Certificate of Competence.

Certificates of Competence are issued on the successful completion of Module B courses. If your aim is to obtain a Certificate of Competence, you will be required to participate in a series of assessments comprising oral and written tests. You qualify for a Certificate of Competence provided you successfully complete the tests.

What are the courses about?
