Stoljar,2019-02-12 New essays on the philosophy of Ned Block with substantive and wide ranging responses by Block
Perhaps more than any other philosopher of mind Ned Block synthesizes philosophical and scientific approaches to the mind
he is unique in moving back and forth across this divide doing so with creativity and intensity Over the course of his career
Block has made groundbreaking contributions to our understanding of intelligence representation and consciousness
Blockheads the title refers to Block s imaginary counterexample to the Turing test and to the Block enthusiast contributors
offers eighteen new essays on Block s work along with substantive and wide ranging replies by Block The essays and
responses not only address Block s past contributions but are rich with new ideas and argument They importantly clarify
many key elements of Block s work including his pessimism concerning such thought experiments as Commander Data and
the Nation of China his more general pessimism about intuitions and introspection in the philosophy of mind the empirical
case for an antifunctionalist biological theory of phenomenal consciousness the fading qualia problem for a biological theory
the link between phenomenal consciousness and representation especially spatial representation and the reducibility of
phenomenal representation Many of the contributors to Blockheads are prominent philosophers themselves including Tyler
Burge David Chalmers Frank Jackson and Hilary Putnam Contributors Ned Block Bill Brewer Richard Brown Tyler Burge

Matthew Screech and Gwen Athene Tarbox As the creator of Tintin Herg 1907 1983 remains one of the most important and
influential figures in the history of comics When Herg born Georges Prosper Remi in Belgium emerged from the controversy
surrounding his actions after World War II his most famous work leapt to international fame and set the standard for
European comics While his style popularized what became known as the clear line in cartooning this edited volume shows
how his life and art turned out much more complicated than his method The book opens with Herg s aesthetic techniques
including analyses of his efforts to comprehend and represent absence and the rhythm of mundaneness between panels of
action Broad views of his career describe how Herg navigated changing ideas of air travel while precise accounts of his life
during Nazi occupation explain how the demands of the occupied press transformed his understanding of what a comics page
could do The next section considers a subject with which Herg was himself consumed the fraught lines between high and low

art By reading the late masterpieces of the Tintin series these chapters situate his artistic legacy A final section considers how the clear line style has been reinterpreted around the world from contemporary Francophone writers to a Chinese American cartoonist and on to Turkey where Tintin has been reinvented into something meaningful to an audience Herg probably never anticipated Despite the attention already devoted to Herg no multi author critical treatment of his work exists in English the majority of the scholarship being in French With contributors from five continents drawing on a variety of critical methods this volume s range will shape the study of Herg for many years to come *Herge: The Man Who Created Tintin* Pierre Assouline,2009-10-29 One of the most beloved characters in all of comics Tintin won an enormous international following Translated into dozens of languages Tintin s adventures have sold millions of copies and Steven Spielberg is presently adapting the stories for the big screen Yet despite Tintin s enduring popularity Americans know almost nothing about his gifted creator Georges Remi better known as Herg Offering a captivating portrait of a man who revolutionized the art of comics this is the first full biography of Herg available for an English speaking audience Born in Brussels in 1907 Herg began his career as a cub reporter a profession he gave to his teenaged world traveling hero But whereas Tintin was fully formed clear headed and positive Assouline notes his inventor was complex contradictory inscrutable For all his huge success achieved with almost no formal training Herg would say unassumingly of his art I was just happy drawing little guys that s all Granted unprecedented access to thousands of the cartoonist s unpublished letters Assouline gets behind the genial public mask to take full measure of Herg s life and art and the fascinating ways in which the two intertwine Neither sugarcoating nor sensationalizing his subject he meticulously probes such controversial issues as Herg s support for Belgian imperialism in the Congo and his alleged collaboration with the Nazis He also analyzes the underpinnings of Tintin how the conception of the character as an asexual adventurer reflected Herg s appreciation for the Boy Scouts organization as well as his Catholic mentor s anti Soviet ideology and relates the comic strip to Herg s own place within the Belgian middle class A profound influence on a generation of artists such as Andy Warhol and Roy Lichtenstein the elusive figure of Herg comes to life in this illuminating biography a deeply nuanced account that unveils the man and his career as never before **The Blank Swan** Elie Ayache,2010-05-05 October 19th 1987 was a day of huge change for the global finance industry On this day the stock market crashed the Nobel Prize winning Black Scholes formula failed and volatility smiles were born and on this day Elie Ayache began his career on the trading floor of the French Futures and Options Exchange Experts everywhere sought to find a model for this event and ways to simulate it in order to avoid a recurrence in the future but the one thing that struck Elie that day was the belief that what actually happened on 19th October 1987 is simply non reproducible outside 19th October 1987 you cannot reduce it to a chain of causes and effects or even to a random generator that can then be reproduced or represented in a theoretical framework The Blank Swan is Elie s highly original treatise on the financial markets presenting a totally revolutionary rethinking of derivative pricing and technology It is not a diatribe against Nassim Taleb s The Black

Swan but criticises the whole background or framework of predictable and unpredictable events white and black swans alike i e the very category of prediction In this revolutionary book Elie redefines the components of the technology needed to price and trade derivatives Most importantly and drawing on a long tradition of philosophy of the event from Henri Bergson to Gilles Deleuze to Alain Badiou and on a recent brand of philosophy of contingency embodied by the speculative materialism of Quentin Meillassoux Elie redefines the market itself against the common perceptions of orthodox financial theory general equilibrium theory and the sociology of finance This book will change the way that we think about derivatives and approach the market If anything derivatives should be renamed contingent claims where contingency is now absolute and no longer derivative and the market is just its medium The book also establishes the missing link between quantitative modelling no longer dependent on probability theory but on a novel brand of mathematics which Elie calls the mathematics of price and the reality of the market

Your Friend and Mine Jessica Dettmann, 2025-07-01 A warm witty and wise novel about second chances friendship and romance for readers of Marian Keyes and Liane Moriarty Dettmann at her hilarious and heartwarming best Tim Minchin When Margot receives an email from her best friend it comes as a shock seeing as Tess died twenty years ago Margot is catapulted back to 2000 meeting the confident English backpacker visiting Sydney where their intense friendship led to plans to travel back to Europe together But then Margot fell in love with Johnny and she never made it to London Margot still feels guilty for letting Tess down Now Tess is providing Margot with the means to fly to London and have the trip they never got to do together But there are stipulations to Tess s beyond the grave generosity Margot must scatter her ashes and carry out tasks in the company of Leo Tess s stepbrother Margot can t help but compare the dreams and aspirations of the girl who partied with Tess to the bored exhausted woman she has become How could Tess have predicted that Margot would need a second chance to get on that plane This is Dettmann s breakout book No question Your Friend and Mine is witty insightful and full of heart a layered exploration of love friendship grief and second chances With her keen often obscure and downright perfect observations on life Dettmann delivers a novel that is as thought provoking as it is joyous Sally Hepworth author of Darling Girls Funny tender and adventurous this story had me alternating between laughter and tears throughout Your Friend and Mine is a touching homage to love between lovers and friends and a beautiful exploration of the nuances of grief all wrapped up in Jess signature humour I m such a huge fan of Jess books and this was my favourite of them all I absolutely adored it Ali Lowe author of The Private Island Thoughtful funny touching smart Your Friend And Mine sparkles with Jess Dettmann s trademark wit and charms with its sharp insights into friendship long term love and detoured dreams An absolute pleasure Holly Wainwright author of He Would Never A joyful wise and deeply moving story about friendship desire and unmet needs that delivers delight on every page Funny authentic and profound I absolutely loved it Anna Downes author of Red River Road A witty relatable and huge hearted novel about friendship long term love and the surprisingly difficult mid life challenge of seeing your own life clearly I absolutely loved it Emily Maguire author of

The Castafiore Emerald: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Castafiore Emerald : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
