

A medieval landscape featuring a large stone castle on a hill in the background. In the foreground, a knight in a dark tunic and a brown cape is riding a dark horse, looking towards the castle. The scene is set in a lush green valley with a dirt path and a small stream. The sky is bright with scattered clouds, and the sun is visible in the upper right corner, casting a warm glow. The title 'MANOR LORDS' is overlaid in the center in a white, bold, sans-serif font, with a horizontal line passing through the middle of the letters.

Gender Roles in Peace and Security Manuela Scheuermann, Anja Zürn, 2019-08-09 This volume examines the specific gender roles in peace and security The authors analyse the implementation process of United Nations Security Council Resolution 1325 in various countries and discuss systemic challenges concerning the Women Peace and Security agenda Through in depth case studies the authors shed new light on topics such as the gender related mechanisms of peace processes gender training practices for police personnel and the importance of violence prevention The volume studies the role of women in peace and security as well as questions of gender mainstreaming by adopting various theoretical concepts including feminist theories concepts of masculinity organizational and security studies It also highlights regional and transnational approaches for the implementation of the Women Peace and Security agenda namely the perspectives of the European Union NATO the UN bureaucracy and the civil society It presents best cases and political advice for tackling the problem of gender inequality in peace and security

Conflict Refugees Christel Querton, 2023-08-10 Based on a systematic and empirical comparative study of six European Union countries Christel Querton explores judicial decision making in the context of persons fleeing armed conflicts in the EU Addressing and redressing misconceptions about the relevance of the Refugee Convention this book demonstrates how appellate authorities across the EU approach situations of armed conflict predominantly through outdated understandings of warfare and territoriality Thus they apply a higher standard of proof than is warranted by international refugee law Adopting a gender perspective Querton also shows how appellate authorities fail to acknowledge the gender differentiated impact of armed conflicts Drawing from gender and security studies this book proposes an original conceptual framework which

supported by existing international legal standards reframes the definition of refugee and better reflects the reality of violence in modern day conflicts In doing so it re asserts the Refugee Convention as the cornerstone of international protection
