

Strangers by Toni Morrison

The short story *Strangers* by Toni Morrison, published by the *New Yorker* and released on October 12, 1998, explores people's opinions of others; the narrator meets a woman by a river and instantly grows fond and connects with her. However, when he returned the next day to the river, he noticed she was not there. He immediately felt like He had judged the woman a bit because she appeared strange and different. The narrator states, "my instant embrace of an outrageously dressed fisherwoman was due in part to an image on which my representation of her was based." which means that the moment he saw the fisherwoman, he instantly judged her without getting to know her first. Overall, the story says that strangers are not just people we do not know. They are more like a manifestation of ourselves that we have not discovered yet. We are inclined to look at strangers differently since we do not know them. This essay is in some way saying that we are all the same.

Toni Morrison wrote about strangers' identities and how they fit into this world. I see that many people can look at a person, and they quickly get a presumption about the person when in reality, they don't know anything about that person. As Toni Morrison expressed after he had judged the woman, "he sentimentalized and appropriated her". Overall, Morrison wants to explain how strangers can change your point of view and show more empathy towards people you don't know. When meeting a stranger, you don't know what they have been through in life; they have seen more of life than you have. When reading *Strangers*, you can't help but think of that one person you had come across in your life that you had judged right away, but when you communicated with them, you quickly realized that they were different from what you expected. However, in almost everyone you meet, there is a tiny part of you in them; I believe that was what Toni Morrison was trying to get across to everyone. We must look deeper into a person we don't know; we can't just judge them on their appearance and looks. My parents always told me never to talk to strangers, because they could be dangerous as I grew up. However, I met this one stranger a few years ago by the name of Sarah. She was a significantly older woman, maybe in her 60's or 70's. We met each other in church; Sarah once said that people would constantly come in and out of your life. Some may stay, but most will go. It is hopeless to hold on to every single relationship you ever had. No matter how hard we tried. What she said had stuck with me till this very day, and what she said about people leaving you is very accurate. I believe you can learn something new from anybody that you allow into your life. I learned the importance of people and how they can change your view of life and open your eyes to understand the world and everyone around you better.

Black Women, Identity, and Cultural Theory Kevin Everod Quashie, 2004 Ultimately moves beyond these to propose a new cultural aesthetic that aims to center black women and their philosophies Book jacket *Black Aliveness, or A Poetics of Being* Kevin Quashie, 2021-02-05 In *Black Aliveness or A Poetics of Being* Kevin Quashie imagines a Black world in which one encounters Black being as it is rather than only as it exists in the shadow of anti Black violence As such he makes a case for Black aliveness even in the face of the persistence of death in Black life and Black study Centrally Quashie theorizes aliveness through the aesthetics of poetry reading poetic inhabitation in Black feminist literary texts by Lucille Clifton Audre Lorde June Jordan Toni Morrison and Evie Shockley among others showing how their philosophical and creative thinking constitutes worldmaking This worldmaking conceptualizes Blackness as capacious relational beyond the normative terms of recognition Blackness as a condition of oneness Reading for poetic aliveness then becomes a means of exploring Black being rather than nonbeing and animates the ethical question how to be In this way Quashie offers a Black feminist philosophy of being which is nothing less than a philosophy of the becoming of the Black world **Strangely Rhetorical: Composing Differently With Novelty Devices** , *Eudora Welty, Whiteness, and Race* Harriet Pollack, 2013-01-01 Faced with Eudora Welty's preference for the oblique in literary performances some have assumed that Welty was not concerned with issues of race or even that she was perhaps ambivalent toward racism This collection counters those assumptions as it examines Welty's handling of race the color line and Jim Crow segregation and sheds new light on her views about the patterns insensitivities blindness and atrocities of whiteness Contributors to this volume show that Welty addressed whiteness and race in her earliest stories her photography and her first novel *Delta Wedding* In subsequent work including *The Golden Apples* *The Optimist's Daughter* and her memoir *One Writer's Beginnings* she made the color line and white privilege visible revealing the gaping distances between lives lived in shared space but separated by social hierarchy and segregation Even when black characters hover in the margins of her fiction they point readers toward complex lives and the black body is itself full of meaning in her work Several essays suggest that Welty represented race like gender and power as a performance scripted by whiteness Her black characters in particular recognize whiteface and blackface as performances especially comical when white characters are unaware of their role play *Eudora Welty Whiteness and Race* also makes clear that Welty recognized white material advantage and black economic deprivation as part of a cycle of race and poverty in America and that she connected this history to lives on either side of the color line to relationships across it and to an uneasy hierarchy of white classes within the presumed monolith of whiteness Contributors Mae Miller Claxton Susan V Donaldson Julia Eichelberger Sarah Ford Jean C Griffith Rebecca Mark Suzanne Marrs Donnie McMahan David McWhirter Harriet Pollack Keri Watson Patricia Yaeger **Critical Essays on Toni Morrison** Nellie Y.
