OECD,2008-02-27 The OECD DAC Handbook on Security System Reform Supporting Security and Justice contains valuable tools to help encourage a dialogue on security and justice issues and to support a security system reform SSR process through the assessment design and implementation phases 2004 World Survey on the Role of Women in Development United Nations. Division for the Advancement of Women,2005 About 90 million women currently reside outside their country of origin representing half the world s international migrants This survey gives a gender perspective on migration focusing on the increasing trend for the international migration of women including voluntary migrants who migrate on their own or to join or accompany family members as well as those forced to flee from conflict persecution environmental degradation natural disasters and other situations that affect their habitat livelihood and security Topics discussed include gender perspectives on the causes and consequences of migration poverty reduction and sustainable development family and labour migration refugees and displaced persons human trafficking and smuggling for prostitution and forced labour health issues and HIV AIDS gender roles and integration of migration women Umrabulo ,2003 **Living Across Worlds** Ninna Nyberg Sørensen,International Organization for Migration,2007 The research presented in this volume is based on case studies from around the world to examine how migration influences development The studies reveal that it is seldom the simple act of migrating but rather the conditions under which migration takes place that determine the developmental impact of migration Rather than dwelling on normative discussions about whether migration should contribute to development whether remittances should be put to more developmental uses whether return should be promoted or whether development cooperation should engage in collaborative efforts with migrant and refugee diasporas this study focuses on the questions policymakers and practitioners should consider when making background analyses for such decisions National Review Report on the Beijing Declaration and Platform for Action-Beijing Plus 20 (The Republic of the Gambia) ,2014 **Social Welfare** ,2008 **Women in India** Ramesh Chandra Mishra,2006 **Rapid Socio-cultural Research as a Methodology for Informing Sexual and Reproductive Health/HIV/AIDS Programming in North-Western Province, Zambia** Zambia,2005
